

GOOD OR EVIL RETURNS

Dr. Talmage Says Actions May Make the Circuit of Many Years.

But They Will Surely Come Back to Us to Bless or Blame Our Lives.

WASHINGTON, D. C.—In this discourse Dr. Talmage says that the good or evil we do returns to us in the circuit of many years.

While yet people thought that the world was flat and thousands of years before they found out that it was round.

There are in the natural world straight lines, angles, parallelograms, triangles, squares, but these are not God's favorites.

Appreciation of this would correct the architecture of churches, whose shape is to be a square, a circle, a triangle, a hexagon, a pentagon, a circle, a square.

The history of the world goes in a circle. Why is it that the shipping in our day is improving so rapidly?

Pomology will go on with its achievements until after many centuries the world will have pears and apples equal to the paradisaical.

If the makers of colored glass go on improving they may in some centuries be able to make something equal to the east window of York minster.

The world continues to improve in masonry, we shall have after awhile, perhaps after the advent of centuries, a tower equal to that which I saw in the wall of an exhumed English city built in the time of the Romans 1600 years ago.

Well, now, what is true in the material universe is true in God's moral government and spiritual arrangement.

Jezebel, the worst woman of the Bible—Jezebel copying Lady Macbeth from her picture—she wanted her vineyard.

But it is sometimes the case that this circle sweeps through a century or through many centuries.

And then all nations, finding out that man is not capable of right-early governing man, will cry out again for theocracy.

What though God should take 10,000 years to draw a circle? Shall we take our little wheel which we have to wind up every night lest it run down and hold us outside the clock of eternal ages?

That the circle is sooner completed. You resolve that you will do what good you can. In one week you put a word of counsel in the heart of a Sabbath-school child.

One day a man comes to you and says: "I want to introduce myself to you. I went into a prayer meeting some years ago. I came back by preference to all our meetings."

One load of fire faggots. 3 Shillings. Pence. Carriage for four loads of wood. 2 1/2

The Dietetic and Hygienic Gazette says: "Walter Baker & Co. of Dorchester, Mass., U. S. A., have given years of study to the skillful preparation of cocoa and chocolate."

When a girl dreams of an elopement she allows her imagination to run away with her.

The average woman is generally too busy talking to stop and think.

Best For the Bowels. No matter what all you, headache or cancer, you will never get well until your bowels are put right.

Success often depends upon knowing when to quit.

Brooklyn, N. Y., Oct. 31.—After investigating Gardell Tea, which is quite universally acknowledged to be the best family remedy, it is not difficult to explain its success.

"You give me a pane," remarked the broken window to the glazier.

MRS. IDA L. ROSER Grand-Niece of Ex-President James K. Polk, Writes to Mrs. Pinkham Saying:

"The value of Lydia E. Pinkham's Vegetable Compound was called to my attention by an intimate friend, whose life had simply been a torture with inflammation and ulceration."

The Oldest French Immortal. Legend, the oldest of the French Immortals, is 91 and is still industriously probably in deference to his famous saying: "It is often said that God condemned man to work. This is absurd. God condemned man to live and gave him work as a mitigating circumstance."

St. Jacobs Oil For Chest-Colds, Bronchitis, Croup, and Pleurisy. An outward application for bronchial difficulties is many times far more effective than syrups, cough mixture, cod liver oil, &c., simply because it penetrates through to the direct cause.
