A Physician Testifies.

"I have taken Kodol Dyspepsia Cure and have never used any thing in my life that did me the good that did," says County Physician Geo. W. Scroggs of Hall County, Ga. "Being a physician I have prescribed it and found it to give the best results." If the food you eat remains undigested in your stomach it decays there and poisons the system. You can prevent this by dieting but that means starvation. Kodol Dyspepsia Cure digests what you eat. You need suffer from neither dyspepsia nor starvation. The worst cases quickly cured. Never
