The trans-siberian railway gives the cheapest rates in the world. It is possible to buy an emigrant's ticket, covering 6000 miles nearly three weeks' journey for about \$8. In this country such rates would make it cheaper than to stay at home.

Such a low price as 10c for a pound package of "Peerless Horse & Cattle Powder" would be impossible were it not for its enormous sale. Ask your merchant about it—examine and taste it, for this will prove to you its quality—feed it and you will know its merits. Remember—a pound pack for 10c.

**Health and Beauty.**

A poor complexion is usually the result of a torpid liver or irregular action of the bowels. Unless nature's refuse is carried off it will surely cause impure blood. Pimples, boils and other eruptions follow. This is nature's method of throwing off the poisons which the bowels failed to remove. DeWitt's Little Early Risers are world famous for remedying this condition. They stimulate the liver and promote regular and healthy action of the bowels but never cause griping, cramps or distress. Safe pills.
