"I've been studying a plan by which you and I can commit suicide," were the words addressed by Lewis A. Brierly to his wife at their home, near Blue Ridge, last Thursday forenoon shortly before 11 o'clock. The strange declaration frightened the woman and she made a hasty exit from the place. A few minutes later she heard the report of a gun. Returning hurriedly to the home she found her husband prostrate upon the kitchen floor, dead from a gunshot wound in his left breast. He had shot himself. Months before he had threatened to take his own life. Lately, however, he had been silent on the subject of suicide and the members of his family believed he had dismissed all determination at self-destruction.

Simon Levi, the well known old iron itinerant merchant, was recently arrested in Hancock on the charge of obtaining a copper kettle of Miss Nettie Pye, colored of Indian Springs, on false pretenses. At the hearing it developed that Levi had no peddler's license and Justice Hoffman fined him \$25 and costs.

The Greencastle Echo Pilot says that Miss Ella Creigh of Mercersburg, daughter of the late Rev. Thomas Creigh, who was for many years pastor of the Mercersburg Presbyterian church, has been named by the Republicans of that place as a candidate for school director. That's all right. The Republicans of McConnellsburg nominated Miss L. V. Hess for the office of school director and she was elected by a vote that made the men's heads swim with envy. When the board organized in June, she was made president, and served her full term of three years. During her administration a fine graded course of study was adopted, a high school was established, and many other measures of progress that shows that an intelligent woman is much more capable of filling that office than some men we know who have had the honor.

Business Opportunity.

JNO. P. Sipes, Receiver.

A large number of people go through life in a dazed and dreamy way, without understanding or caring to understand the meaning of things. For instance, the words, "oyer and terminator" is applied to courts, is not understood by half the people, and yet few words are more familiar. "Oyer" is Anglo French and means "to hear." "Terminator" means "to determine." Hence a court of oyer and terminator is one in which cases are heard and determined.

Favorite Nearly Everywhere.
Constipation means dullness, depression, headache, generally disordered health. DeWitt's Little Early Risers stimulate the liver, open the bowels and relieve this condition. Safe, speedy and thorough. They never gripe. Favorite pills.

The union meeting of the Christian Endeavor societies of the Reformed, United Presbyterian, Lutheran, and Presbyterian churches, respectively, held in the Lutheran church last Sunday evening was full of interest. Notwithstanding the severe winter weather, the house was well filled, and the active and intelligent part taken by our young people was very gratifying. A solo by Miss Mabel Jackson, a male quartet composed of Nicholas Roettger, Will Black, Geo. A. Comer, and Daniel Comer, and a trio by Misses Emily Greathead, Annie Frey and Gertie Sipes gave an evidence of more than ordinary musical talent.

Working Overtime.
Eight hour laws are ignored by these tireless little workers—Dr. King's New Life Pills. Millions are always at work, night and day, curing indigestion, biliousness, constipation, sick headache and all stomach, liver and bowel troubles. Easy, pleasant, safe, sure. Only 25c at W. S. Dickson's drug store.

Judge Stewart, of Franklin county, a short time ago gave a deserved reprimand to some people who acted as "stool pigeons" at a public sale in that county. It would be well for some people we know to steer clear of doing such things to gull the unsuspecting bidder. It is a reprehensible habit and should be denounced, no matter who practices it.

Saved Him From Torture
There is no more agonizing trouble than piles. The constant itching and burning make life intolerable. No position is comfortable. The torture is unending. DeWitt's Witch Hazel Salve cures piles at once. For skin diseases, cuts, burns, bruises, all kinds of wounds it is unequalled. J. S. Gerrall, St. Paul, Ark., says: "From 1865 I suffered with the protruding, bleeding piles and could find nothing to help me until I used De Witt's Witch Hazel Salve. A few boxes completely cured me." Beware of counterfeits.

Nothing inspires an auctioneer so much as a good crowd at a sale. An auctioneer remarked the other day that a sale well advertised brought from sixty to a hundred dollars more money, and he didn't have to work half so hard. The News office prints attractive bills.
