GREAT SNOW STORM.
The heaviest snow storm that has visited this section for years is upon us. Snow began falling Tuesday evening about 8 o'clock, and as we go to press Wednesday 3 p. m. it continues.

The ground is covered to a depth of about 18 inches, and roads are generally blocked.

No mails, have arrived to day and none will depart; and none are likely to be in or out tomorrow.

The railroads are completely snowbound. The South Penn managed to get a train to Chambersburg this morning, and then gave it up.

Johnny Conrad spent four hours in making the trip from this place to Mercersburg this morning, and then telephoned that it would be impossible to return until the roads were opened.

For The Complexion.
The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions.

DeWitt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took DeWitt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years."

Never gripe or distress. Safe, thorough, and gentle. The very best pills.

Whips Cove.
March came in like a lamb, but by Wednesday the lion was shaking the snow off his mane to beat the band. The large flocks of robins that came in a few days ago were fooled a little in the weather.

On the 25th ult. about a score of James McKee's friends were invited to his home. The men entertained themselves sawing shingle-wood, and the women had even a better time quilting, and discussing current events.

Among the number present were J. M. Barton, wife and children, and Mr. Barton's mother—all of Crystal Springs. Mrs. Barton is a sister of Mrs. McKee. Not the least pleasant part of the whole affair was the sumptuous dinner Mrs. McKee got up for her guests. Mr. McKee wants to re-roof his barn.

Last Saturday morning as Mrs. Mary Cromer of this place went to the cage of her pet bird, a beautiful Virginia Cornercreeper, she was shocked to find the bird dead. It had been as well as usual when it took its perch to roost. She has had it caged thirteen years, and it was never sick one hour during that length of time except a very short time last summer. It always ceased whistling in August, and began regularly in February. It had already begun to whistle finely. It was doubly dear to her, first, as it was a gift from her deceased husband, and secondly, because it was a great joy and pleasure to her and the whole neighborhood, as well, on account of its fine whistling. It could be heard for squares around. It will be much missed by family, neighbors, and children.

Surgeon's Knife Not Necessary
Surgery is no longer necessary to cure piles. DeWitt's Witch Hazel Salve cures such cases at once, removing the necessity for dangerous, painful, and expensive operations. For scalds, cuts, burns, wounds, bruises, sores, and skin diseases it is unequalled. Beware of counterfeits.
