March 10 .- Mr. Editor. -Knowing that you can't run a paper without help, we take our pen to give you a few items from this vicinity.

The last week's storm was the worst for years. The snow was said to be 17 inches deep, and the of many valuable and useful preswind, which was very high, piled it to the depth of 6 or 7 feet in places. Our citizens had to shovside. Many of the lanes and byways are completely blocked yet. Whips Cove is noted for good roads in summer, but at this season of the year the bottom often falls out.

## A Severe Cold For Three Months.

The following letters from A. J. Nusbaum, of Batesville, Ind., tells pepsia Cure will always digest it its own story. "I suffered for three months with a severe cold. A druggist prepared me some medicine and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar, and eight doses cured me." Refuse substitutes. All dealers.

## A Clever Plan.

Probably Ray township, in Macomb county, Mich., has the best gravel roads of any township in that State, says H. S. Earle in Good Roads Magazine. This is to get a new one. We do not know the result of the efforts of G. R. Lovejoy, who is such a strong adwhether it was because the Squire vocate of good roads that he wouldn't be contented until the highways were what they should
