BIG DEPARTMENT STORES

We add to the pleasure of our friends by providing entertainment from time to time, but the factors which will bring crowds to these enlarged stores to-day are the bountiful stocks, new and wantable merchandise from all over the Union, and the rock-bottom prices at which they are marked. When we say money buys most at CONN BROS.' we mean that you get here more goods for your dollar or equal quantities of better goods for your dollar than anywhere else.

OUR NEW Department of Millinery IN OUR OLD STAND.

Positively the largest and handsomest to be seen anywhere. This may seem to some a bold assertion, but we don't make it ourselves alone. The consensus of opinion of leaders of fashion and devotees of style have made this flattering distinction in our favor. We have placed on sale a beautiful collection of Paris real and model trimmed hats in the daintiest and prettiest conceits, ranging in price, Ladies', \$1.00 to \$25.00; Misses' 48c. to \$12.00; Children's 39c. to \$6.00. All Fancy Flowers, Fruits and Foliage at various pleasing and satisfying prices. Millinery trimmings, ornaments and ribbons in delightful profusion.

The Millinery Department will be under the management of Miss Nellie Lies, from Armstrong & Catons, Baltimore. She has had eight years' experience in the millinery business and her designs in hats are entirely new. You therefore, can have the best and latest styles of the eastern cities right here in Mercersburg in our Millinery Department. No need of going to any other place.
