F Thougats of Others to Help You Think.

Selected by G. S. Berlin. Every promise is built upon four pillars : God's justice, which will not suffer him to deceive; his grace, which will not suffer him to forget: his truth, which will not suffer him to change; and his power, which makes him able to accomplish.

A good book an hour a day will in twenty years lift her or him who reads it to the morning plane of vision and enjoyment.

Virulent Cancer Cured.

Startling proof of a wonderful advance in medicine is given by druggist G. W. Roberts of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe poisons at the same time this salve exerts its matchiess healing power, blood diseases, skin eruptions, ulcers and sores vanish. "All right," said the child, " mamma will pay you when she comes down town this evening," and with that the child proceeded with its wagon. The mamma had evidently instructed the child what to say regarding the pay, but had not expected any such rash demands in settlement."
