Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Moundsville, W. Va. They do me more good than anything I have ever tried.

It will be noticed that a reward of one hundred dollars is being offered for the arrest and conviction of those who broke into Mr. Rubyan's store at Needmore last week. There is a party in that community that has been working this business until the good people have become thoroughly aroused, and they are now determined to break it up. It has not been so long ago that David Evans lost all his meat, Samuel Clevenger was relieved of the money he had for a long time been saving up and now, a store.
