Scott 531 Highland ave., Milton, Pa., says: "I have carried DeWitt's Little Early Risers with me for several years and would not be without them." Small and easy to take. Purely vegetable. Just Look At Her.

Whence came that sprightly step, faultless skin, rich, rosy complexion, smiling face. She looks good, feels good. Here's her secret. She uses Dr. King's New Life Pills. Result—all organs active, digestion good, no headaches, no chance for "blues." Try them yourself. Only 25c at W. S. Dickson's.

Somebody killed a 25-pound turkey for Joseph Truax of Belfast township. It was one of a pair of valuable turkeys that his son Martin had brought from Franklin county. It is bad enough to shoot wild turkeys out of season, but to prowl around the premises of another and shoot tame turkeys shows a baseness of character most deplorable.

A Necessary Precaution.

Don't neglect a cold. It is worse than unpleasant. It is dangerous. By using One Minute Cough Cure you can cure it at once. N. B. Hanks, Esq., of Emmaville, a few days ago, killed a rattlesnake that measured four feet and a half in length, and sported twenty rattles. The Squire had the reptile carefully skinned and intends having the hide tanned. What he will do with it after it is tanned is merely a matter of speculation. It might be used as a hatband, or as a belt for some shirtwaist dude, or a summer lap spread for some youngster who may want to take his girl out buggy-riding.

He is still hale and hearty for a man of his years and takes pleasure in telling of his work as a harvest hand for so many years.

A number of persons met at the Big Spring graveyard Monday, and did much to improve the appearance of that old burying ground. The place should not be neglected, for within its sacred limits repose the remains of ancestral representatives of nearly all the families in the Cove. A committee composed of A. C. Lauer, D. H. Patterson, John Carbaugh, Isaac Hull and J. S. Nelson has been named who are authorized to receive contributions for the purpose of putting a new fence around the graveyard, straightening up the stones, and otherwise putting and keeping the place in order. No one who has friends lying there should hesitate to give something besides thanks to those who have taken up this matter. Those from a distance who may wish to send money may send it to the Chairman, Mr. A. C. Lauer, whose postoffice address is Big Cove Quarry, Pa., and the money will be properly applied.
