POSTAL LAWS.

The postal authorities at Washngton, recognizing the liability f postmasters to make mistakes n getting letters in wrong boxes. have fixed a penalty of \$200 on persons taking mail out of the office other than their own, and not returning it. The law is to have people look at their mail before taking it out of the office. and if they must, return it at once. It also includes newspapers. The excuse that it is the postmaster's fault, "cuts no ice." If you have been getting other people's mail you had better take warning or you may get yourself n trouble.
