Foley's Honey and Tar always stops the cough and heals the lungs. Refuse substitutes. All dealers.

Mrs. Wilson Kline of Fort Ligon, and her daughter Mrs. John Barmond, and little daughters Mabel and Vera, of McConnellsborg spent from Saturday until Monday, the guests of Chas. Wagoner and family, at Markes, Franklin county.

Foley's Honey and Tar for coughs and colds: reliable, tried and tested, safe and sure. All dealers.

On Sunday Nov. 9th, preaching at Pine Grove at 10:30 A. M.; at Zion, at 3 P. M., instead of 7 P. M. as announced; preaching at Wells Valley church at 7 P. M., at which place special revival services begin.—W. J. SHEAFFER, pastor of Three Springs charge.

There is no cough medicine so popular as Foley's Honey and Tar. It contains no opiates or poisons and never fails to cure.—All dealers.

Neighboring counties are being worked by a slick scoundrel who represents himself as agent for a city clothing house, and takes orders for suits at \$15, receiving \$5 down, the balance to be paid when the suits are delivered. Of course the suits are never delivered.

W. A. Herren of Finch, Ark., writes, "I wish to report that Foley's Kidney Cure has cured a terrible case of kidney and bladder trouble that two doctors had given up." All dealers.

The apple crop this year is estimated at 43,000,000 barrels—an excess of 16,000,000 barrels over the crop 1901. There is an assurance of greater health and happiness in these figures. There is nothing that grows upon a tree better than an apple.

An exchange says it takes a rich man to draw a check, a pretty girl to draw attention, a horse to draw a cart, a porous plaster to draw the skin, a toper to draw a cork, a free lunch to draw a crowd, and an advertisement in the home paper to draw custom.

Physicians Prescribe It.
Many broad minded physicians prescribe Foley's Honey and Tar as they have never found so safe and reliable a remedy for throat and lung troubles as this great medicine. All dealers.

George Seidel, levelman, of New York; H. D. Heton, rodmán, of Harrisburg, and G. P. Phillips, plain-table-man, of Washington, D. C., members of a U. S. Geological Survey corps, spent last Friday night in town. They are taking elevations of the road forming a loop from Hancock via McConnellsborg, and Harrisonville.

Anxious Moments.
Some of the most anxious hours of a mother's life are those when the little ones of the household have the croup. There is no other medicine so effective in this terrible malady as Foley's Honey and Tar. It is a household favorite for throat and lung troubles, and as it contains no opiates or other poisons it can be safely given. All dealers.

The dead-letter office handled over 9,000,000 pieces of misdirected mail matter last year.—This heap of matter is a stupendous monument to the carelessness of the average man and woman as well as an exposition of the labor which such carelessness entails upon Uncle Sam.

Luck in Thirteen.
By sending 13 miles Wm. Spirey of Walton Furnace, Vt., got a box of Bucklen's Arnica Salve, that wholly cured a horrible fever sore on his leg. Nothing else could. Positively cures bruises, felons, ulcers, eruptions, boils, burns, corns and piles. Only 25c. Guaranteed by W. S. Dickson, druggist.

There are many people in this world who would find more happiness in life if they would give up the childish habit of being apprehensive and worried about things that never happen. It is really worse than childish. It is stupid. It is a habit that grows upon persons, often beginning in childhood. It is a sort of inward fear that often requires a strong mental condition to combat and overcome, but by persistent practice and the use of will power the habit can be broken.

Startling, But True.
"If everyone knew what a grand medicine Dr. King's New Life Pills is," writes D. H. Turner, Demseytown, Pa., "you'd sell all you have in a day. Two weeks' use made a new man of me." Infallible for constipation, stomach and liver trouble. 25c at W. S. Dickson's drug store.

State Superintendent of Public Instruction Rev. Dr. N. C. Scheaffer has received the degree of LL. D. from Washington and Jefferson College, which has just celebrated its centennial. This is the third time the doctor has been given this same degree.

Mr. E. C. Detrich, of Greencastle, hired a horse to a stranger several weeks ago for a few days, at the end of which time the horse did not return. Thinking it might be the result of accident, he gave himself no concern about it, till the days ran into a week, when he became alarmed, and in company with Mr. P. B. Hollar, started in pursuit of him. Arriving at Frederick, Md., they soon discovered the absent horse boarding at one of the hotels, but his driver was non est. After giving satisfactory evidence to the landlord that he was the owner, and footing the horse's bill, he was delivered over to Mr. Detrich. The man who hired the horse had represented himself as a grain dealer, but evidently belonged to a gang of worthless sharpers who are now infesting the country.

Leightly Charged With Murder.
George Leightly, a miner of Kearney, was arrested on Thursday at that place, by special officer S. F. Silver, charged with the murder of EH Chamberlain, of Six Mile Run. Chamberlain was found dead on the railroad tracks Tuesday, and he was supposed to have been killed by a train. He and Leightly had been together that day, and later developments brought suspicion upon the latter. Sufficient evidence was procured at the hearing to warrant his commitment.

The deceased will be remembered as one of the four Chamberlain brothers who played baseball with the Six Mile Run club at McConnellsborg a little over a year ago. He was 33 years old, and leaves a wife and two children.

ON THURSDAY, NOVEMBER 20, 1902.
The undersigned executor of the last will, &c. of David Johnson late of Thompson township deceased, will sell at 1 o'clock P. M., on the above named day on the premises, 3 miles northeast of Hancock, Md., the following valuable farm containing

The farm in general is well watered, and has been heavily limed twice. The soil is red slate easily farmed, and very productive. When properly farmed, it will produce in one season from two to three thousand bushels of grain. It is a grand opportunity, and any one seeking a home in the county, should not let this chance go by. There is an excellent Market near for all kinds of produce. The projected extension of the B. & O. railroad will pass within 3 miles of the farm.
Any person wishing to look over it can do so at anytime by calling on the tenant on the premises; or by writing to the undersigned, who will cheerfully give all necessary information. The farm, also, contains about 40 acres of

Spring Time Hints.
WHEN A LADY GETS READY TO CLEAN HOUSE
We generally find a bed or two that ought to have a new mattress, springs or pillows.
GOOD MATTRESSES are here in stock from \$3.50 to \$15.00 and to order up to \$30.00. The very cheap kind, that only serve to look at and worry you awhile, you can get elsewhere.
BED SPRINGS, \$2.00 to \$12.00. **PILLOWS,** 50c to \$2.00. The same remarks apply as to mattresses.
A **NEAT CLEAN IRON BED** often replaces an old wooden one to great advantage. Makes the room brighter and looks cooler on a hot day or night.
NEW ORIENTAL STRIPE TAPESTRIES at 50c and 75c a yard (double width) make attractive curtains and coverings.
A **COUCH SPREAD** in same goods, 50 by 108 inches, fringe all around, at \$1.50 is pretty and cheap.
Go-Carts and Baby Coaches.
