The Western Union people are stringing eighteen new copper wires on the line running through the upper end of the County, which make a total of thirty wires on that line. There are thirteen on the line passing through McConnellsburg. When Mr. Thomas F. Sloan took charge of the McConnellsburg office thirty-eight years ago, one wire did the business between Philadelphia and Pittsburgh. Instead of the telephone injuring the business of the telegraph companies, it only adds to it, if we may judge from the fact that last year's business was the most profitable the Western Union has ever had.

## Spring Time Hints.

WHEN A LADY GETS READY TO CLEAN HOUSE she generally finds a bed or two that ought to have a new mattress, springs or pillows.

GOOD MATTRESSES are here in stock from \$8.50 to \$15.00 and to order up to \$30.00. The very cheap kind, that only serve to look at and worry you awhile, you can get elsewhere.

BED SPRINGS, \$2.00 to \$12.00. PILLOWS, 50c to \$2.00. The same remarks apply as to mattresses. A NEAT CLEAN IRON BED often replaces an old wooden one to great advantage. Makes the room brighter and looks cooler on a hot day or night.

NEW ORIENTAL STRIPE TAPESTRIES at 50c and 75c a yard (double width) make attractive curtains and coverings.

A COUCH SPREAD in same goods, 50 by 108 inches, fringe all around, at \$1.50 is pretty and cheap.
