religious freedom, and Sunday school organization, and humbly invoke his guidance.

Resolved, That we approve of the work that is being done by the State officers of Sunday school work, and, also, by the County officers, in the arranging and holding Sunday School Conventions. We believe that these conventions are a stimulant to more efficient and effective Sunday School work throughout the state.

Resolved, That we have received much healthful and lasting benefit from the work done in this convention, and we recommend a continuance of the same next year.

Resolved, That we extend our thanks to the people for hospitality and courtesy given; to the choir for music rendered; to our neighboring Sunday school workers for aid and assistance, and to every one who has in any way contributed to the success of this convention, and that these resolutions be made a part of the minutes of this convention.

Resolved, That each Sunday school in the district elect and send, at least, to the next convention one delegate to represent them. C. H. Shull, C. B. Hockensmith, and Mrs. Amos Hixson, Committee.

Reports of Sunday school superintendents reports showed an increase in the Sunday School work.

The following was offered and carried.

Resolved, That M. R. Shaffner County Sunday School organizer, be instructed to organize a Sunday school in Belfast township, and that S. S. workers assist him in his efforts to do so. Voted that the next session be held at Green Hill.

Resolved, That we extend a vote of thanks to the members and friends of the McKendree M. E. church, for the kind and hospitable manner in which they have entertained the convention.

Rev. S. L. Baugher made a few closing remarks and spoke of the success of the convention. General praise services. Many spoke of what Christ had done for them. Adjournment to meet at Green Hill in 1903.

Benediction by Rev. S. L. Baugher.

J. N. Patterson, night policeman of Nashua, Ia., writes, "Last winter I had a bad cold on my lungs and tried at least half dozen advertised cough medicines and had treatment from two physicians without getting any benefit. M. R. Shaffner, S. A. Nesbit, Miss Marion Sloan, Mrs. S. M. Cook, and Miss Emily Greathead were among the number from this place who attended the Sunday school convention at McKendree in Brush Creek Valley last Saturday.

P. H. Duffy of Ashley, Ill., writes "This is to certify that I have taken two bottles of Foley's Kidney Cure and it has helped me more than any other medicine. Before commencing its use I was in such a shape that I could hardly get up when once down." All dealers.
