

S. S. Newman of Salvia spent Friday the guest of friends in town.

Among the many business visitors to town Saturday was Jordan Dashing of Pleasant Ridge.

Dr. Bieloy, the Washington eye specialist, will be in Hancock, Md., on May 11th, and remain one week. Examination free.—Call at the Light House.

Burglars entered the store of Charles McGeeber, at Burnt Cab, his last Thursday morning and carried away the cash drawer containing about \$35.

Gay, the six-year old daughter of Ex-Sheriff W. B. Pittman, of Thompson township, fell into a pot of hot water on Tuesday and was scalded seriously. Dr. Sappington was called, and hopes are entertained for her recovery.

The presiding elder, Rev. Geo. Stevens will hold the first quarterly conference on the Hustontown charge at Fairview church next Saturday afternoon, May 9th, at 3 P. M., and will preach on Saturday evening at 7:30. J. R. Melroy, pastor.

After a high temperature most of last Friday, a sudden change took place in the evening, and about nine o'clock a violent wind storm passed over this section of the State. At Mercersburg, the Parker troupe was presenting Uncle Tom's Cabin. At the night performance the tent was crowded by at least 500 people, mostly women and children. The first act about finished when the wind storm caused the large tent to collapse. There was great excitement and confusion. In the stampede, fortunately, no person was trampled. Many bruises etc., were sustained. Several of the troupe, however, are said to have been injured. The young lady who played Eva, it is reported was painfully injured.

The Shippensburg Chronicle says that Mr. and Mrs. Ed Dunlap of the Sherman House in that city gave a handkerchief shower in honor of Mrs. R. Belle Wolfe. That the party was a surprise to Mrs. Wolfe, was fully demonstrated upon her arrival from her apartments in the house to the parlor, where she found about thirty of her intimate friends assembled. After recovering from the surprise, Rev. M. E. Swartz made a neat little speech and presented his gift, a large red bandana handkerchief, after which the contents of a large basket were showered over Mrs. Wolfe's lap. Each guest presenting her with a beautiful handkerchief. During the evening delicious refreshments were served in the dining room and a pleasant time spent socially.

The Hancock Star says that a New York syndicate composed of M. B. Crowel, A. L. House, J. Frank Fields and others have purchased of the Bowles heirs 160 acres of cement land off of the "Delacarla" tract for \$40,000 cash. The money has been paid and the deal made. Mrs. Kendall and Miss McClure Bowles, who are absent in Europe, signed and acknowledged their deed before the U. S. consul. This is the largest land deal ever made in that section and the transfer means the erection of a new \$200,000 cement mill and the manufacture of cement on a very large scale.

### A Runaway Bicycle.

Terminated with an ugly cut on the leg of J. B. Orner, Franklin Grove Ill. It developed a stubborn ulcer unyielding to doctors and remedies for four years.—Then Bucklen's Arnica Salve cured. It's just as good for burns, scalds, skin eruptions and piles. 25c at W. S. Dickson's drug store.

It is recorded of Cornelius Vanderbilt that before he died he said to a friend: "I don't see what good it does me—all this money that you say is mine. I can't eat it; I can't spend it; in fact, I never saw it and never had it in my hands for a moment. I dress no better than my private secretary and cannot eat as much as my coachman. I live in a big servants' boarding house, am bothered to death by beggars, have dyspepsia, can't drink champagne, and most of my money is in the hands of others, who use it mainly for their own benefit."

### To Our Readers

The attention of our readers is especially directed to the advertisement of the Pittsburg Bank for Savings of Pittsburg, Pa., which appears in another part of this issue. As many of our readers, no doubt, are aware, the Pittsburg Bank for Savings is one of the oldest saving institutions in the State of Pennsylvania, having been founded in 1802—forty-one years ago.

Its assets at the present time are about \$14,000,000, and its management is in the hands of some of Pittsburg's leading financiers and business men. There are few banks in the country that have earned such a splendid record for stability and reliability as has this banking house.

Pittsburg, with its innumerable industries and large outlet for the quick and safe investment of money, enables the Pittsburg Bank for Savings to pay a very liberal rate of interest; namely, four per cent. Banks in the smaller towns and cities are unable, by reason of their location, to invest money as profitably as a bank so situated as the Pittsburg Bank for Savings, and, of course, it is to be expected that they could not, and do not, except in very rare cases, pay a higher rate of interest than 3 per cent.; in fact, a great many of them pay but 2 per cent., and in many instances no interest whatever is paid.

The small cost of sending money to the Pittsburg Bank for Savings enables one to secure the very liberal rate of interest which it pays, and which adds one-third more to a persons' income who is receiving but 3 per cent.; and, 50 per cent. additional where only 2 per cent. is allowed.

Seven years ago, the Pittsburg Bank for Savings introduced a system of banking by mail for the benefit of those living in localities where the local bank fails to meet its rate of interest, and this system of banking is very largely availed of at the present time. Fully one-third of the depositors of the Pittsburg Bank for Savings do their banking entirely by mail, and during the seven years the system has been in operation not a single dollar has been lost to a depositor. Money may be sent to the Pittsburg Bank for Savings at their risk by means of Bank Draft, Money Order, or by Registered Mail.

Their Booklet No. P., which the bank will send to any of our readers desiring the same, explains this system fully, and whether you have \$1.00 or \$1,000 to invest you should have a copy of it before so doing.

## 4% Interest On Time Deposits

Outside of Pittsburg and a few other localities, the bank rate of interest rarely exceeds 3 per cent. The small cost of sending your money to this bank to earn 4 per cent. interest adds one-third more to your income.

\$1,000 at 3 per cent. earns \$30.00.  
\$1,000 at 4 per cent. earns \$40.00.

### Pittsburgh Bank for Savings

PITTSBURGH, PA.

ESTABLISHED 1862. ASSETS \$13,500,000.

**True as Gospel.**  
A very bright and sensible young lady of the blooming West made this request of a friend: "Do not lay me down by the rippling brookside lest the babbling lovers waite me from my dreams, nor in the beautiful cemeteries in the valleys, lest sightseers cooing over epitaphs distract me; but let me sleep under the counter of the merchant and business man who never advertises. There is the place that passeth all understanding, and deep is the sleep in which neither the buoyant foot-fall of youth nor the weary shuffle of old age will ever intrude." A whole volume of grave wisdom can be found in that extract.—The quietest place on earth is under the counter of a non-advertising establishment. Experience has long since demonstrated the fact and now wit has found it out.

**Doesn't Respect Old Age.**  
It's shameful when youth fails to show proper respect for old age but just the contrary in the case of Dr. King's New Life Pills.—They cut off malarie no matter how severe and irrespective of old age. Dyspepsia, jaundice, fever, and constipation all yield to this perfect Pill. 25c at W. S. Dickson's drug store.

We keep an army of 65,000 men and have 254 ships of war. We are ready to fight any nation on earth, and yet the little potato bug laughs us to scorn. The bug family taxes this great country \$50,000,000 a year. The worms that attack the cotton plant assess the farmer \$60,000,000 a year. The potato bug eats \$8,000,000 worth annually out of our gardens. The chinch bug costs us \$100,000,000, the Hessian fly \$50,000,000, and the grasshopper \$90,000,000. The United States hasn't enough money or men to win any war with an insect.
