Long Hair

"About a year ago my hair was coming out very fast, so I bought a bottle of Ayer's Hair Vigor. It stopped the falling and made my hair grow very rapidly, until now it is 45 inches in length."—Mrs. A. Boydston, Atchison, Kans.

There's another hunger than that of the stomach. Hair hunger, for instance. Hungry hair needs food,

needs hair vigor-Ayer's. This is why we say that Ayer's Hair Vigor always restores color, and makes the hair grow long and heavy. \$1.00 a bettle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

HAIR GROWTH

Promoted by Shampoos of Cuticura Soap

And Dressings of Cuticura the Great Skin Cure

Purest, Sweetest, Most Effective Remedies for Skin, Scalp and Hair.

This treatment at once stops falling hair, removes crusts, scales and dandruff, destroys hair parasites, soothes irritated, itching surfaces, stimulates the hair follicles, loosens the scaip skin. supplies the roots with energy and nourishment, and makes the hair grow upon a sweet, wholesome, healthy scalp when all else falis.

Millions of women now rely on Cuttcura Soap assisted by Cuticura Cintment, the great skin cure, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itchings and chaings, for annoying irritations, or too free or offensive perspiration, for ulcerative weaknesses, and many sanative, antiseptic purposes which readily suggest themselves, as well as for all the purposes of the tollet and nursery.

Cutieara remedies are the standard

Cuticara remedies are the standard skin cures and humour remedies of the world. Bathe the affected parts with hot water and Cuticura Soap, to cleause the surface of crusts and scales and soften the thickened cuticle. Dry, without hard rabbing, and apply Cuticura Ointment freely, to allay itching, irritation and inflammation, and soothe and heal, and, lastly, in the severer forms, take Cuticura Reselvent, to cool and cleanse the blood. A single set is often sufficlent to cure the most torturing, disfiguring skin, scalp and blood humours, from pimples to scrofula, from infancy to age, when all clse falls.

A singular property of gelatine, when spread upon glass, has lately been experimented with by the French chemist, Cailletet. When a thick layer of strong glue that has been allowed to dry upon a glass surface is detached, it dry upon a glass surface is detached, it carries off scales of glass and leaves designs resembling those of frost on a window pane. Polished marble and quartz are similarly affected. With glue containing six per cent, of alum Mensieur Casiletet produced five designs, resembling moss in texture. The glue while drying exerts a powerful mechanical strain. chanical strain.

The WEST'S BRAVEST MAN

STORY OF "LONE STAR" BROUGHT OUT BY HIS ARREST.

One of the Most Remarkable Characters the Plains Have Ever Known--He Killed Thirty Indians Unaided and Trailed His Stolen Brother for Twenty Years.

NE of the most remarkable swarming about Red Cloud Agency characters of the border days of the Western States tality that the great council was held is now under arrest at Alnsworth, Neb., charged 1876, at which the last great war bewith the murder of David O. Lase, tween the white and Indian races who was killed on April 9, 1901. The was ended. At this council, aside from defendant is Fred M. Hans, known General McKenzie and the United throughout the West and Southwest in States Commissioners, were the folthe early days by the sobriquet of lowing famous chiefs of the red men; 'Lone Star." This name was be- Red Cloud, Little Wound, Young-Manstowed upon him by the Indians be-cause of the fact that in ail of the cam-leaf. Two Lance, Fire Eyes, Bad paigns against them in which he par- Wound, Slow Bull, High Wolf, Big ticinated; in all the raids made upon outlaws, eartle rustlers and train role lean Horse, Quick Bear, While Crow, Good Bull and Big Wolf. bers in which he took part he always separated himself from others engaged in the conflicts and fought his way Hans an appointment as a Regular alone. It was this characteristic which Army scout. He made a round-up of

has gotten him into his present trouble. The various camps of Indians, giving No character of the West has exhibited more of brave . none-and there is no exception to be made to this statement-has passed through the vicissitudes, participated in as many battles, the last to stand our against the terms received so many honors from Government and States, saved more lives friendly agency of Little Wound, One of his heroic single-handed butfrom destruction during Indian massa res, broken up more gangs of cattle custlers, outlaws and desperadoes than he was attacked by five outlaws in the

situation as ever novelist imagined.

Hans, who has been for several years better ownership. chlef of the secret service of the Fre-

Luse was, as Hans suspected, the to hold up an Elkhorn train. The five miles to Camp Sheridan. State claims Duquette reported to by Duquette and a man named Hill. started toward the Luse ranch on April b, 1901. When some distance from the sinin. house Hans announced that he would the buggy. He shortly afterward re- early eightles, the other in 1838,

when Hans shot. This contention is that if a man is shot while his hands are raised the skin will slip back over Bad Lands of South Dakota, killing this happened in Luse's case. It is furthermore contended that Haus' claim that he fired two shots in quick that the two bullet holes in Luse's body indicate that the shots were fired from two different points in the room. Hans' story, told at the time and the authorities of Brown County wanted Luse on the charge of cattle stealing; that he had such a reputation as a "bad man" that the author'ties were afraid to attempt to arrest him, and that Hans offered to do the trick. He said that when he approached the house he did not want his companions placed in danger, so he advanced to the house alone. He knocked at the door, and Luse opened it. Immediately rec ognizing Hans, says the detective, Luse sprang into a bedroom and emerged Hans. Hans thereupon fired the shots

which took Luse's life. Hans was born in Bremer County. Iowa, July 12, 1861. His father was a German minister; his mother an Eng-

Hous clung to them until they arrived in the

the hole made by the bullet and that over thirty of them while on the trail. His latest work for the Government as a scout was during the outbreak at the Rosehud Agency, when the succession is disproved by the fact battle of Wounded Knee occurred, in 1890. Hans was then first scout under Buffalo Bill, and was the man who did the real work of locating the Indians, learning their plans, their force later repeated by him, is this: That and quantity of ammunition, and who gave to the Army authorities all the information upon which the war was quickly ended. Since peace with the red men has

reigned Hans has been employed as chief of the secret service of the Elkhorn road.-Philadelphia Record.

Misplaced Sympathy.

It was a lonesome little lamb that rode around the city in the rain one day last week. It was in a crated box in an express wagon, bleating pitifully with a shotgun, which he drew upon its protest at being thus confined, far away from home and mother. Every time that the wagon would stop there would be a crowd gathered expressing sympathy for the prisoner. It was the unanimous opinion that the lamb was to be killed, and that shortly. The people apparently never stopped to think of the value of the animal. One never sees live stock sent by express resulted in Hans, the younger, become to be turned into beef or mutton. The lamb was really a lucky one, and will outlaw pursuer and terror to the West- have the freedom of some nice big pasture and perhaps some day will be seen at a county fair surrounded by a group was murdered. Hans' father, the min- of farmers who will fasten a blue rib ister, put his higher intelligence upon bon to its woolly back. It will be a the case and discovered evidence that great day for the lamb, which by that resulted in the arrest, conviction and time will have forgotten all about its mother and the ride in the little box .-

An Army Cinderella.

The Atchison Globe stands for the An Atchison girl visiting in Leaven worth swept the front steps of her hos Indians, to whom Randall had deliv-ered him. A lieutenant passing by thought she was a kitchen maiden. He became acquainted, and the girl, who has always had an insane ambition to Alone he started out to search for his be loved for herself alone, having read brother among the Indians. From in books that this is a characteristic tribe to tribe he followed traces of his rother, but for nearly twenty years young man that she was not a kitchen failed to meet him. During these girl. She came home recently wearing a new diamond ring. A sensation awaits the young lleutenant when he comes to see her."

A Much Statues King. Up to date 318 statues of William I of Germany have been erected in German towns at a total cost of about \$5,

COMMERCIAL REVIEW,

General Trade Conditions.

Bradstreet's says: "Warm, forcing weather has been the keynote of the situation this week, including favorable conditions for the winter wheat harvest, splendid progress by corn and cotton, enlargement in retail trade in summer goods, generally heretofore backward, and, what is most important of all, bringing about a much more cheerful feeling as to the future out

look for business generally.
"Additional reports as to six months" trade are quite favorable, despite earlier unfavorable conditions. "Business failures in the United States for the week ended with July a

numbered 162, against 171 last week 138 in the like week of 1903, 145 in 1901.

146 in 1900, and 136 in 1890. Canada lailures not reported.
"Wheat, including flour, exports for the week ended July 2 aggregate 2,060. 582 bushels, against 3.518.152 last week, 3.211,215 this week last year, and 3.787. 539 in 1901. Wheat exports for the zereal year ended June 30 aggregate 224.084.801 bushels, against 251.870.565 last season and 218.965.363 in 1901. Corn exports aggregate 1,420,172 bush-ols, against 1,285,724 last week, 127,000 a year ago, and 2.249,033 in toot. For the cereal year exports are 66,800,864 bushels, against 26,450,882 last season and 177,325,343 in 1901."
