Mrs. D. C. Stunkard and son Lamont visited Mrs. W. B. Stunkard last Thursday.

Miss May Horton of Huntingdon is spending two weeks in the home of Mr. and Mrs. S. P. Wishart.

Mr. Jerry Sprowl, who has been crippled for three years, has improved so much recently that on Thursday last he walked from the Mountain House to our town.

Many of our people attended Walter L. Main's great show in Saxton Friday, and in Bedford Saturday. Theophilus Wright was relieved of a valuable gold watch by a sleight of hand performer at the Saxton show.

Charley Kersner returned home from Cumberland last Saturday evening.

Rowe Mellott, the lumberman, passed through here Monday.

Mrs. Matilda Fisher spent a few days last week the guest of T. W. Peck and family.

Morgan, the little son of Charley Gordon, has been very sick, for a few days.

Sammy Cleverger is back on the mail route.

Rev. Baugher, who has been some what indisposed for a few days, started to meet his appointment last Saturday.

We shall give our readers next week a more detailed account of this beneficent work.

FATTENING CHICKENS FOR MARKET.

The results of experimenting in fattening chickens for market in Canada are given as follows, by the chief of that division. He says:

1. That pure bred or high grade chickens can be reared more cheaply in the fattening crates, and present a better market appearance than do common chickens or "scrub" chickens.
2. That there is more profit in placing well-fatted chickens on the market than in marketing lean chickens.
3. That four months old is the most profitable age at which to market chickens.
4. That heavy chickens are not generally as salable as medium weight ones.
5. That the type of chickens desired in Canada or Great Britain is a young, plump bird, with a broad, full breast, white colored flesh, white or yellow colored legs without feathers or spurs, and with a small head.
6. That crate fattening of chickens is the farmer's business; that it is a profitable business; that it does not require a large outlay to fatten 100 or 200 chickens; that the chickens are fed from troughs and that machine feeding is not necessary.

NEEDMORE.

Charley Kersner returned home from Cumberland last Saturday evening. Rowe Mellott, the lumberman, passed through here Monday. Mrs. Matilda Fisher spent a few days last week the guest of T. W. LOWER THOMPSON.

Miss Alverda Eader has returned to Pittsburg. Mr. and Mrs. H. B. Hill of Round Top, and Miss Anna Weaver, were the guests of W. L. Shaw and family last Sunday. Misses Mianne Roser and Laura Charlton spent Saturday and Sunday with Miss Ella Barton. Mrs. Sadie Bootman of Hancock spent Friday with her mother, Mrs. Hannah Truxel. ROBBED THE GRAVE.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters, to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed, at all drug stores.

DO NOT OVERREACH YOURSELF.

This counsel, given to a girl before her marriage, is said by her to explain the secret of her charming hospitality: "Don't undertake more entertaining than your strength and purse will allow. Don't aspire to red-headed duck when your cook knows how to cook lamb better. If you can serve a four-course dinner perfectly and a six-course dinner with an effort, plan for the first. Seat your guests at the table with as much discretion as shown in inviting them. Never crowd eight people around a table which seats only six comfortably. Give consideration to the waiter as well as the guests."

NEVER ASK ADVICE.

When you have a cough or cold don't ask what is good for it and get some medicine with little or no merit and perhaps dangerous. Ask for Foley's Honey and Tar, the greatest throat and lung remedy, it cures coughs and colds quickly. Sold at Trout's drug store.

LET THE HANGLOCK.

John M. Lake has been cutting corn in the Cove. Jessie Mellott and Goldie Lake spent last Saturday with Cora Hoop. Mrs. Sarah Funk and daughter Annie moved to their farm in Licking Creek township last Wednesday. Mrs. John Lake and Mrs. John Mellott were visiting at Joe Mellott's last Monday.

AKERSVILLE.

Listen for more wedding bells. The protracted meeting is still in progress. J. E. Jackson is suffering from a sore hand. E. M. Lodge of Emmaville has returned to Columbus, Ohio. A. W. Duvall was distributing supplies to the schools last week. The calthumpian band was heard the past week in our village. The heavy frosts of the past week have ripened the corn through the valley. Wilson Conner, M. A. Barkman and J. N. Hixson spent a day in Everett last week. George W. McKibbin started Tuesday for Detroit, Mich., where he expects to find employment. Messrs. Lewis Harris, Clyde Akers, Alex McKibbin, L. H. and S. E. Walters attended Main's show at Bedford Saturday. C. R. Akers went over to the County Seat Saturday. He was accompanied home by his sister who had been spending some time in Lancaster and Atlantic City.

ANDOVER.

Mrs. Charles Schooley is on the sick list. T. I. Sipe is suffering with western fever. Dr. Hoop is getting a new kitchen to his dwelling. Neyn Strait is employed at Rev Sipes' doing carpenter work. David Strait is improving his dwelling by having an end built to it. Some of our boys surprised Johnson Wilson with a corn cutting last Monday night. Bert Wilson, who had been cutting corn in Franklin county two weeks, is at home again. While our good meat man, M. P. Sipe, was supplying his customers with meat last Thursday, some thief stole a cap of honey. Last Sunday John Pix and son Mack were at David Strait's; Frank Sipes and wife were at E. J. Wilson's; George Sipes spent the day with N. S. Strait, who furnished some good music, and Leshe Decker, who is teaching in Bedford county, spent the day with his parents. Quite a number of the readers of the "News" called at R. P. Schooley's last week to see that big pumpkin; but as Dick thinks it is still growing, he will build a large house over it and save it till Christmas time, and then the Editor will get a cut of a pie as big as a pin barrow. Dick is a good fellow about that time in the year.

"WATCH THE KIDNEYS."

"When they are affected, life is in danger," says Dr. Abernethy, the great English physician. Foley's Kidney Cure makes sound kidneys. Sold at Trout's drug store.

CITO.

Mrs. J. C. Seiders is ill. Mrs. Reed, who has been sick, is better. William Peck has just finished his house. Whooping cough is about over in our valley. Our school is getting along nicely under the care of Mr. Keefer. Mrs. Annie Everts spent from Thursday till Saturday with Otho Souders'. Arthur Seville and Misses Jennie Strait and Bessie Souders were visitors at Martin Souders' last Sunday.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which falls of perfect digestion ferments and swells the stomach, puffing it up against the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. Kaible, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."

Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure.
