DANGER IN FALL COLDS.

Fall colds are liable to hang on all winter leaving the seeds of pneumonia, bronchitis or consumption. Foley's Honey and Tar cures quickly and prevents serious results. It is old and reliable, tried and tested, safe and sure. Contains no opiates and will not constipate.

After Constables.

According to the act of 1899 every constable in the state is made a fish and game warden and the department of fisheries and the game commission have issued orders that unless every constable attends strictly to arresting every violator of the game laws he will be made to suffer for violating his oath. It is said that the departments have spotters all over the state. Last week in Luzerne county, a constable was convicted for not having arrested persons whom he knew to be guilty of violating the game laws.
