Frank Henry and sister Laura of Tod township were visiting Jacob Winegardner's one night last week.

The number of new names that have been added to our subscription list during the past week is very gratifying to the publisher. People seem to realize that the Fulton County News about fills the bill.

PHYSICIANS PRESCRIBE IT.

IN CALIFORNIA.

Miss Sarah Grove, formerly of Taylor Township, writes,

We are permitted to publish the following from a private letter to her friends:

"I see you have been having snow in Pennsylvania,—dear delightful old Pennsylvania, where the weather has a continual chronic case of delirium tremens for about six months in the year.

"I can conceive of nothing more delightful than an existence in southern California. During the ten months that have gone by, I have explored the country around Los Angeles and Pasadena on a wheel, riding along the wide, dusty roads and the circling Eucalyptus branches forming a roof far ahead like the entrance to a tunnel. In the distance lay spreading fields, flooded with California sunshine—a light compared to which, the clearest sunshine of the east is a mere blur; and as we went our way through San Gabriel valley we pass houses covered with rose vines, moon flowers, Jessamines, smilax, and all manner of beautiful creeping green things with brilliant blossoms.

"Away off to the south west we could see the faint outlines of Santa Catalina mountains, to the west, groves and vineyards, looking at that distance like the demarcation of a trap laid out on a huge scale by a gigantic cartographer.

To the east more ranches with here and there a village. A faint trail of smoke ten miles across the valley betrayed the passage of a railroad train. Over every thing the sunshine shimmering on the hills guided the distant mountain peaks bathing the valley in liquid gold—God's greatest gift to the favored one who may live where it is a daily visitor, instead of a feeble pale and discouragingly rarity.

SARAH GROVE.

John Barker is employed at C. M. Sipes husking corn.

ANXIOUS MOMENTS.

Some of the most anxious hours of a mother's life are those when the little ones of the household have the croup. There is no other medicine so effective in this terrible malady as Foley's Honey and Tar. It is a household favorite for throat and lung troubles, and as it contains no opiates or other poisons, it can be safely given. Sold at Trout's drug store.

To Cure a Cold in One Day.

Those Children.

In answer to a large number of inquiries concerning the children for whom homes were asked a few weeks ago, we beg to inform all persons interested that the older of the two boys was taken into the home of Mrs. Margaret Kendall of Ayr township. The younger has not been placed yet. He is a bright, fine looking boy, almost six years of age, in good health, and has had the most careful training. Any one wanting the younger boy should call on the child's great-aunt, Miss Maggie Rummel, one door east of Mrs. Little's millinery store, in this place.

A GOOD NAME.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton Boerne, Tex.—Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver, etc.—They do not purge and weaken, but cleanse and strengthen. Sold at Trout's drug store.

CURED OF PILES AFTER 40 YEARS.

Mr. C. Haney of Geneva, Ohio, had the piles for 40 years. Doctors and dollars could do him no lasting good. DeWitt's Witch Hazel Salve cured him permanent. That is the reason one woman will say to another after admiring her friend's new hat and having been told the price: "It looks so stylish I thought it cost heaps more than that." We can make you one at the same price that will look equally stylish. The best materials, and pains taking workmanship make our hats the most desirable. Hustontown. FALL and WINTER MILLINERY.
