handle all the business of the state. But it must build at once or leave the Goulds build.

The Gould-Stoddard oil people are tumbling their Pennsylvania stock on the market as fast as it can be put out.

LOOKS LIKE A BEAR ATTACK. This is the secret of the mysterious selling of the stock and of the highly manipulative features which makes it look like a bear attack.

As a preparation for the construction of the new railroad, it is believed the Goulds incorporated about a year ago a company called the Eastern Securities company.

Mr. Carnegie's money has been openly behind the Goulds in their advance on Pittsburgh. The furious opposition made to that advance by the Pennsylvania company angered Mr. Carnegie still further and made him willing to join hands for the great new railroad from Pittsburgh to tide-water under Goulds auspices.

Strenuous times are expected in Wall Street the next few months.

"Pennsylvania" was the battle cry of Standard Oil brokers in the stock market yesterday, and all through the session the fight was hot.

The Pennsylvania made a fierce blow at the Gould combination some months ago by destroying about \$5,000,000 of Western Union poles and wires along its right of way.

Another blow was dealt yesterday by the company, this time aimed at the Steel Trust through the Pennsylvania Steel company, which the road controls.

One of the most significant moves made by the Goulds has been to mark out the route of the new road from the city line of Philadelphia as far out toward Pittsburg as West Chester, in Chester county, a distance of about a hundred miles.

In preparation for taking control of the Pennsylvania road, it is suggested that men tried and trusted by the Rockefeller are planning to make their homes in Pennsylvania. "Rockefeller's Pioneers" these men are called.

A. H. Thurnes, a well known coal operator of Buffalo, O., writes "I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain. I got no relief from medicines until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick dust like fine stones and I feel like a new man. It has done me a \$1,000 worth of good."

Coughs, Colds and Constipation.

Few people realize when taking cough medicines other than Foley's Honey and Tar, that they contain opiates which are constipating besides being unsafe, particularly for children.

CLEAR RIDGE.

Nov. 16.—Hunters are coming from all directions, but game is scarce here.

H. T. Heeter went to Huntingdon last Saturday to see his wife, who has been there for some time under treatment for her eyes. She doesn't seem to be improving much.

Mrs. Shoemaker and daughter of Hustontown were in our town on Sunday evening.

Miss Lula Brown was visiting Mrs. Catharine McClain last Saturday and Sunday.

John Winegardner, wife and children visited Mrs. Margaret McDonald near Maddensville last Sunday.

John A. Henry's fine new dwelling house will soon be completed.

Jacob Carmack gave his friends a little party the other night, it being the occasion of his birthday. Some one, however, helped himself to all the lemonade before refreshments were served.

Mac Kerlin and wife visited Mrs. Sarah Fields on Sunday.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Cold, to be unequalled. A recent expression from T. J. McFarland Bentorville, Va. serves as example. He writes: "I had Bronchitis for three years and doctored at the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me."

Job Truax is on the sick list. Dr. Palmer was at the County Seat last Saturday. Eli Peck and family spent a few days last week among friends here.

NEEDMORE.

John Clevenger and brother Erra spent a day or two hunting here last week.

Job Bernhart expects to move this week to the Laferty farm near Franklin Mills.

Alexander Mellott has sold his farm to Commissioner S. D. Mellott. Consideration, \$2,500.

Capt. and Mrs. C. T. Dixon, and Ellis Sipe and wife, were guests of the family of A. Runyan on Sunday.

Sammy Clevenger says he did on Sunday what he had not done for twenty years—staid at home all day in his own home.

Rev. Baugher and wife have been absent from their home for some time. He is holding protracted services in Bedford county.

Wm. H. and Thomas Wink were among those who spent Thanksgiving Day on the mountain hunting deer. They report it a dear hunt.

Oliver Mellott's little son Freddie was buried at the Dunkard cemetery last Saturday. The grief stricken parents have the sympathy of the entire community.

Elders Funk and Palmer held preaching services on Sunday evening at the home of Mr. Wm. McEldowney who, on account of declining health, has for some time been confined to his room.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newson, Decatur, Ala. "For three years" she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered. For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by all druggists."

A Thousand Dollars Worth of Good.

A. H. Thurnes, a well known coal operator of Buffalo, O., writes "I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain. I got no relief from medicines until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick dust like fine stones and I feel like a new man. It has done me a \$1,000 worth of good."

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Mr. D. K. Miller, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."

Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure.
