The pleasant to take and harmless One Minute Cough Curegives immediate relief in all cases of cough, croup, and lagrippe because it does not pass immediately into the stomach, but takes effeet right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. Dr. Armstrong of Delia, Tex., prescribes it daily and says there is no better cough remedy made. Sold at Trout's drug store.

"The World under a Field-plans" is the way one subscriber describes it.
