

What? Taylor's new atlas of Fulton county. Price \$2.00.

Mr. and Mrs. Charles S. Mellett of Sipes Mill, spent Monday in town.

Many presents are packed in Fort Bedford Coffee worth more than you pay for the entire package.

George Paylor moved from Back Run to S. A. Nesbit's farm in Tod township last week, where he is employed for the year.

Fort Bedford Coffee costs you only 1c a pound more than other coffee and is better, and also contains a handsome present.

Mrs. E. C. Whitehill of Yellow Creek, is visiting her mother, Mrs. R. A. Speer of Salvia. They spent a night last week with Mr. and Mrs. John B. Runyan of the place.

This is a good time to subscribe for the FULTON COUNTY NEWS. Only a dollar a year in advance.

It is a pleasure to note the number of subscriptions to the Fulton County News that have been taken during the past week as Christmas gifts to distant friends.

Did you get one of those lovely Salt or Pepper shakers in your Fort Bedford Coffee?

The furnace at Rockhill and the stone quarry and coke ovens will be running in a few weeks. An additional force of men was put to work on repairs Monday, and as soon as everything is ready the furnace will be blown in and everything else pertaining to it run in full blast. The furnace has been standing since the first of November.

A Thousand Dollars Worth of Good.

A. H. Thurnes, a well known coal operator of Buffalo, O., writes "I have been afflicted with kidney and bladder trouble for years, passing gravel or stones with excruciating pain. I got no relief from medicines until I began taking Foley's Kidney Cure, then the result was surprising. A few doses started the brick dust like fine stones and I feel like a new man. It has done me a \$1,000 worth of good." Sold at Trout's drug store.

After an absence of seventeen years, Mr. E. T. Fox, a prosperous farmer near Lewis, Kansas, is visiting his parents, Mr. and Mrs. John Fox, and renewing acquaintance with his many old time friends hereabouts. Thompson feels pretty sure that Kansas is all right. He does not make any pretension of farming very extensively on his place; yet with no other assistance than a scrawny 13-year-old boy, he raised 400 bushels of wheat, to say nothing about the corn and other crops. "But," we inquired, "when it hits with a good crop out there, does it not then miss four or five years?" "O no," he replied, "it is the other way; if it misses once, it hits four or five times; and, then, the yield is so much greater per acre than in Pennsylvania, that, even with the misses we are still ahead."

ONE HUNDRED DOLLARS A BOX

is the value H. A. Tisdale, Summerton, S. C., places on DeWitt's Witch Hazel Salve. He says: "I had the piles for 20 years. I tried many doctors and medicines, but all failed except DeWitt's Witch Hazel Salve. It cured me." It is a combination of the healing properties of Witch Hazel with antiseptics and emollients; relieves and permanently cures blind, bleeding, itching and protruding piles, sores, bruises, eczema salt rheum and all skin diseases. Sold at Trout's drug store.

Driven To Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in Burns, Cuts, Wounds, Ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. It's the best on earth. 25c. at all druggists.

JAMES H. KENDALL HURT.

Kick by a Horse Causes Great Suffering. Is Now Out of Danger.

While in the stable last Wednesday James H. Kendall of the Cove was kicked over the region of the liver by one of his horses. He did not at the time experience any serious results from the accident, and gave it little further attention until Thursday morning, when he began to suffer intense pain. Dr. Mosser was called, and it required the use of powerful anaesthetics to give him anything like moderate relief; but by close attention since, Mr. Kendall is now believed to have passed the danger point, and will, we hope, be all right again in a few days.

J. G. Gluck, Superintendent, Pruntytown, W. Va., writes: "After trying all other advertised cough medicines we have decided to use Foley's Honey and Tar exclusively in the West Virginia Reform School. I find it the most effective and absolutely harmless." Sold at Trout's drug store.

The State Highway Department December 10 received an application from Brooklyn township, Susquehanna county, for three miles of good roads. Thus far twenty-nine applications have been received by the department. Seventeen were made last month. BERKELEY SPRINGS.

As the Fulton County News has a number of readers in this section of Uncle Sam's domain, I will venture a few items for publication.

There are three or four sand mines between this place and the Potomac, each mine turning out between three and four car loads of sand a day. The fourth mill, which will be 170 feet long by 40 feet in breadth, will soon be completed, and will give employment to 40 or 50 men.

THE LONE STAR STATE.

Down in Texas at Yoakum, is a big dry goods firm of which Mr. J. M. Haller is the head. Mr. Haller on one of his trips east to buy goods said to a friend who was with him in the palace car, "Here take one of these Little Early Risers upon retiring and you will be up early in the morning feeling good."
