

Did you get a watch in Fort Bedford Coffee?
This is a good time to subscribe for the FULTON COUNTY NEWS. Only a dollar a year in advance.

Wasn't the present you got in Fort Bedford Coffee a nice one?
On Monday R. Sharpe Patterson sold his new building on Water street where he now resides, together with the hardware store, to County Treasurer Geo. B. Mellott. Possession to be given the first of April. This is a very desirable property, and the hardware store, which was established about a year ago by Mr. Patterson, has a strong and growing patronage. We wish the new proprietor success.

With mighty good coffee and valuable presents free in each pack, you will find Fort Bedford Coffee cheaper by far than others, even if you do pay a cent a pound more for it than other coffee.

George Fraker of Fort Littleton, met with a painful accident on his way home from Three Springs recently which might have resulted in the loss of an eye. While descending a steep grade near William Gearinger's he was thrown out of his sled against a barb wire fence. We think the law prohibits a fence of this kind to be constructed along the high ways, if not it should be so.

The many friends of G.H. Hausan, Engineer L. E. & W. R. R. at present living in Lima, O., will be pleased to know of his recovery from threatened kidney disease. He writes: "I was cured by using Foley's Kidney Cure, which I recommend to all, especially traumen who are usually similarly afflicted." Sold at Trout's drug store.

Mr. Alex. Mellott, one of Belfast's substantial citizens, called at the News office one day last week, to arrange for the printing of bills for his sale. "Bub" has sold his farm to Commissioner Samuel D. Mellott who will get possession the first of April.—Temporarily Alex. expects, at that time, to move into Thomas Rash's house on Timber Ridge.
The prevention of consumption is entirely a question of commencing the proper treatment in time. Nothing is so well adapted to ward off fatal lung troubles as Foley's Honey and Tar. Sold at Trout's drug store.

After spending the holidays at the home of his parents near Knobsville, Mr. H. O. Wible has returned to Burlington, Iowa, to resume his work as manager of a crew of canvassing salesmen for the James S. Kirk & Co., soap people of Chicago. He was accompanied on his return by his brother-in-law, Mr. E. B. Cline, who resigned his school in Dublin township to accept a position with the same people. The school (Glunt's) is in charge of Miss Lucy Peightel.

Moses Hess of Bethel township was a very pleasant caller at the News office on Monday. Last spring, Mr. Hess rented his farm and is taking this year "off." During the fore part of the summer he took a two months' trip through the West, visiting not only the middle west states, but those on the Pacific slope. Mose saw some nice country, and met many clever people; but he comes back fully contented with life in Fulton county. While away-out on the other side of the Rockies, he stopped twelve days with the family of our old friend Billy Hockensmith, and "had measles." He did not want to spread them in Fulton county.

What's in a Name?
Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold at Trout's drug store.

Pneumonia and La Grippé.
Coughs cured quickly by Foley's Honey and Tar. Refuse substitutes. Sold at Trout's drug store.

SOMETHING WORTH KNOWING.
When a splinter has been driven deeply into the hand it can be extracted without pain by steam.—Nearly fill a wide mouth bottle with hot water, place the injured part over the mouth and press tightly. The suction will draw the flesh down and in a minute or two the steam will extract the splinter and the inflammation together.

Children Poisoned.
Many children are poisoned and made nervous and weak, if not killed outright, by mothers giving them cough syrups containing opiates. Foley's Honey and Tar is a safe and certain remedy for coughs, croup and lung trouble, and is the only prominent cough medicine that contains no opiates or other poisons. Sold at Trout's drug store.
