Foley's Honey and Tar cures the cough caused by attack of la grippe. It heals the lungs.

Mr. John B. Sipes of Licking Creek township, spent a few hours in town last Thursday, and did not forget to come in and push his subscription into next year.

Winter coughs are apt to result in consumption if neglected. They can be soon broken up by using Foley's Honey and Tar.

Miss Nannie Mellott, who is teaching at Upton this winter is suffering from an attack of scarlet fever, in consequence of which her school has been closed for several days.

No rotten eggs in Fort Bedford Coffee.

Among those who visited at Wells Tannery during the past week are James Truax of South Fork at the home of his parents, Mr. and Mrs. G. E. Truax; Mr. and Mrs. Will Hoke and Mr. and Mrs. Jesse Sweet, of Saxton, at the home of Mr. and Mrs. W. H. Spangler; Mr. and Mrs. James Gibson and Mr. and Mrs. Lodge, of Langdonale, at the home of Mr. and Mrs. John Gibson.

Mothers can safely give Foley's Honey and Tar to their children for coughs and colds, for it contains no opiates or other poisons.

Mrs. Isaac N. Watson, known to many of our people is seriously ill at her home in McConnellsburg. She has been confined to her bed since last June. Mrs. Watson is a daughter of Henry Caution, of Peters township and is one of the most respected colored residents of McConnellsburg.—Mercersburg Journal.

Foley's Honey and Tar is best for croup and whooping cough, contains no opiates and cures quickly. Careful mothers keep it in the house.

A pet setter dog belonging to W. T. Conner of York, several weeks ago had the rabies, and before the family knew it the dog was permitted to lick Mrs. Conner's hand. She had a slight scratch on her hand, and thus the deadly virus was communicated to her system. The woman died after awful suffering.

Kidney complaint kills more people than any other disease.—This is due to the disease being so insidious that it gets a good hold on the system before it is recognized. Foley's Kidney Cure will prevent the development of the fatal disease if taken in time.

Last fall Wells township established a high school. It had not been in progress many weeks until the house in which it was held was burned, presumably by an incendiary. The school board proceeded at once to rebuild; but as the building was just completed, it was burned, as the first had been. Not to be outdone, a contract was given for the erection of another building, which was completed last week; and on Monday the high school pupils took up the thread of their work where it had been dropped when the first house was burned. The two houses burned were both insured, and the insurance honored by the companies; so it has not just been a dead financial loss to the township.

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, pushing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. Kaibbe, of Nevada, O., says: I had stomach trouble and was in a bad state as I had heart trouble with it. I took Local Dr. King's New Discovery for three months and it cured me. **Local Digest What You Eat** and relieve the stomach of all nervous strain and the heart of all pressure. **Bottles only. \$1.00 five bottles 25¢ times the trial size, which adds for 50¢.** Prepared by E. C. DeWITT & CO., CHICAGO. Sold at Trout's drug store.

REV. ELISHA SHOEMAKER.

Sketch of His Life, and Work in the Ministry.

Rev. Elisha Shoemaker died at his home at Hustontown, Pa., Thursday, Jan. 13, 1904, of cancer of the stomach.

Mr. Shoemaker's illness was of short duration. Early in the fall he, living in hopes that some cure might be had, went to a sanitarium at Roaring Springs, Pa., for treatment, but all was in vain, and he returned to his home, where he was attended by his son, Dr. F. R. Shoemaker, and by other skilled physicians—every thing being done to stay the last spark of life; but it seemed that God knew best, and called his workman home.

Rev. Shoemaker was born and reared at Columbia, Pa. At an early age, he secured an education, and entered the Central Pennsylvania Conference of the Methodist Episcopal church as a minister, in which he spent 40 years of active work for the church and was considered one of the best qualified ministers in the Conference.

The following are some of the places of his pastorate: Bloomsburg, Clearfield, Williamsburg, Bellefonte, Howard, Enisville, Spring Mills, Glen Hope, Three Springs, Shirleysburg, Cassville, Saltillo, Orbisonia, Half Moon, and many others. The first sermon ever preached in Saltillo, was by Rev. Shoemaker in the school house—at present the East Broad Top R. R. depot.

Later on he organized and built a Methodist church. He was a man who was a good thinker and practical preacher. His manner of teaching people would him many friends wherever he was known. It is said that since he had been retired from the active ministry he has preached over one hundred funeral sermons in the region about his former charge at Saltillo. His last desire was that he might be spared to preach two more sermons; but a voice answered and said, "It is enough: come up higher," and his spirit took its flight to receive the reward for which he has so faithfully labored.

He leaves a widow and five children: Homer, Esq., of Harrisburg; Dr. Frank R. and Thaddeus S. of Jeannette; Miss Mary F. of Hustontown, and Mrs. Orville Hatch of Salt Lake City, Utah. He was aged 67 years, 10 months and 4 days. Interment at Three Springs, Pa., by Rev. Geo. A. Singer of Three Springs, Rev. Strayer of Saltillo, Rev. Melroy of Hustontown, and Rev. Baldwin of Huntingdon, Pa.
