

Do you get a watch in Fort Bedford Coffee?

Now is the time to buy ribbons for summer at Maye Johnston's.

Bessie Yeager, the girl from Fort London, who ran away from her home last week, has been located in Clearfield, this state, where her father is employed. She went from London to Mercersburg, thence to Greencastle, where it is thought she got money from her father through a friend, to come to him in Clearfield. It was feared for a time that she was lost.

Wasn't the present you got in Fort Bedford Coffee a nice one?

This is a good time to subscribe for the FULTON COUNTY NEWS. Only a dollar a year in advance.

On Tuesday of last week, Drs. W. P. S. Henry and P. H. Pensyl performed a successful operation on little Robert Goldsmith, son of Mr. and Mrs. H. E. Goldsmith. Little Robert has been troubled with a gathering in his head since Christmas and it developed into such a condition that it was necessary to perform the operation. So successful was the operation by the skillful physicians that little Robert will soon make his appearance and enjoy the freedom of childhood.—Everett Press.

With mighty good coffee and valuable presents free in each pack, you will find Fort Bedford Coffee cheaper by far than others, even if you do pay a cent a pound more for it than other coffee.

We were delighted last Wednesday by receiving a call from Miss Emma J. Fraker, who was a skillful Fulton county teacher during the editor's administration as county superintendent. Miss Fraker had been summoned to her former home at Fort Littleton on account of her mother's illness, and last Wednesday was leaving for Chattanooga, Tenn., where during the last eight years she has held a responsible and lucrative position in the Citizen's Bank & Trust Company.

A strong, healthy, active constitution depends largely on the condition of the liver. The famous little pills known as DeWitt's Little Early Risers not only cleanse the system but they strengthen the action of the liver and rebuild the tissues supporting that organ. Little Early Risers are easy to act, they never gripe and yet they are absolutely certain to produce results that are satisfactory in all cases. Sold at Trout's drug store.

Singer of Three Springs, and the happy couple left for a bridal tour to the eastern cities.

A NIGHT ALARM.

Worse than an alarm of fire at night is the brassy cough of croup which sounds like the children's death knell and it means death unless something is done quickly. Foley's Honey and Tar never fails to give instant relief and quickly cures the worst forms of croup. Mrs. P. L. Cordier, of Mannington, Ky., writes: "My three year old girl had a severe case of croup; the doctor said she could not live. I got a bottle of Foley's Honey and Tar, the first dose gave quick relief and saved her life." Refuse substitutes. Sold at Trout's drug store.

THE DEATH PENALTY.

A little thing sometimes results in death. Thus a mere scratch, insignificant cuts or puny boils have paid the death penalty. It is wise to have Bucklen's Arnica Salve ever handy. It's the best salve on earth and will prevent fatality, when burns, sores, ulcers and piles threaten. Only 25c, at all druggists.

UP TO CONSTABLES.

Those Who Fail to Fight Forest Fires Will be Prosecuted.

"We are going to prosecute constables who fail to turn out to fight forest fires," says Secretary J. T. Rothrock, of the Pennsylvania Forestry Association. "We have told constables that whenever they sue the county commissioners for their services for fighting fires, if the lower courts give judgment against them, we will pay the costs of carrying it to the superior court. The commissioners have been telling the constables that they could not be paid, but there is a penalty for the commissioners, too, which may be enforced."

If you have indigestion, Kodol Dyspepsia Cure will cure you. It has cured thousands. It is curing people every day—every hour. You owe it to yourself to give it a trial. You will continue to suffer until you do try it. There is no other combination of digestants that digest and rebuild at the same time. Kodol does both. Kodol cures, strengthens and rebuilds. Sold at Trout's drug store.

Quaint Recipe.

In looking over some old papers in his study the other day, Rev. Dr. West came across the following recipe. It is not stated what fills of human flesh the remedy is good for, but it would not likely injure the stomach of the most debilitated. Here it is:

"Take a little rum,
The less you take the better,
Put it in the lakes
Of Wenner and of Wetter.
"Take a little out—
Mind you don't get groggy,
Put it in the lake
Of Winnipisogee.
"Stir the mixture well
Lest it prove inferior;
Than put half a drop
Into lake Superior.
"Every other day
Take a drop in water—
You'll be better soon—
Or, at least, you 'oughter."

Scarlet Fever and Small-Pox Remedy.

The following clipping was handed to us by a friend:

A correspondent of the Stockton (Cal.) Herald writes as follows: "I herewith append a recipe which has been used, to my knowledge, in hundreds of cases. It will prevent small-pox though the pittings are filling. When Jenner discovered cow-pox in England, the world of science whirled an avalanche of fame on his head, and when the most scientific school of medicine in the world, that of Paris, published this recipe as a panacea for small-pox, it passed unheeded. It is as unerring as fate. It is harmless when taken by a well person. It will also cure scarlet fever. Here is the recipe as I have used it, and cured my children of scarlet fever; here it is as I have used it to cure small-pox; when learned physicians said the patient must die, it cured: Sulphate of zinc, one grain; fox-glove (digitalis), one grain; half a teaspoonful of sugar. Mix with two table-spoonfuls of water. When thoroughly mixed add four ounces of water. Take a spoonful every hour. Either disease will disappear in twelve hours. For a child smaller doses, according to age. If counties would compel their physicians to use this there would be no need of pest-houses. If you value advice and experience use this for that terrible disease.

CAN'T ALWAYS COLLECT BY LAW.

A subscription to a fund to build a church cannot always be collected by law. At Carlisle, John H. Gardner subscribed \$1000 to the erection of a new Lutheran church. He afterward refused to pay and suit was brought. It appears that Mr. Gardner made his subscription with the understanding that the new church would cost \$45,000, without consent of the congregation or subscribers, and Mr. Gardner is, therefore, not liable, says Judge Biddle.
