A. R. Edwards, Taylor township's candidate for sheriff, had the misfortune to have his cheek bone broke and caved in while unloading logs last week. He expects to go to Philadelphia this week to have an operation performed on his cheek bone in order to bring it into place again.

An exchange tells of the three stingiest men on record. The first one will not drink water unless it comes from his neighbor's well. The second forbids his children writing with anything but a small hand as it wastes ink to make large letters. The third stops the clock at night to stop wear and tear on the machinery. They all refuse to take a newspaper on the ground that it is too much of a strain on the spectacles to read.

When you get a catalogue from a big mail order house, just look it over and see what they will pay you for produce, also investigate and see what their terms of credit are in case you do not have the ready cash; how much they will give towards the keeping up of the sidewalks; just write them and ask how much they will give towards the erection of a church; how much they will give to assist the poor. After you have done this and received a reply, see if your home merchant won't do as well.

Those dealing in cigarettes should be mindful of the fact that violators of the law in regard to selling cigarettes to minors are being brought to justice in many places, says an exchange. In Blair county court, Elias Mackday, a Williamsburg merchant, plead guilty to violation of this law and received the minimum fine and costs in view of submitting to the charge. The minimum fine is \$100 and the maximum fine \$300. It is rather expensive to sell such "coffin nails" when one is found out.

Are You a Dyspeptic?

If you are a dyspeptic you owe it to yourself and your friends to get well. Dyspepsia annoys the dyspeptic's friends because his disease sours his disposition as well as his stomach. Kodol Dyspepsia Cure will not only cure dyspepsia, indigestion and sour stomach, but this palatable, reconstructive tonic digests and strengthens the whole digestive apparatus, and sweetens the life as well as the stomach. When you take Kodol Dyspepsia the food you eat is enjoyed. It is digested, assimilated and its nutrient properties appropriated by the blood and tissues. Health is the result. Sold at Trout's drug store.

Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of cough, croup, and la grippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. One Minute Cough Cure is pleasant to take and it is good alike for young and old. Sold at Trout's drug store.

Hon. S. W. Kirk is as busy as a nailer these days making improvements about the property recently purchased from the Thomas Patterson heirs. Weak Hearts
Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, putting it up against the heart, and in the course of time that delicate but vital organ becomes diseased. Mr. D. Knoble, of Nevada, O., says: "I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me."
Kodol Digests What You Eat and relieves the stomach of all nervous strain and the heart of all pressure. Bottles only \$1.00. Also leading 25¢ boxes the trial size. Kodol Dyspepsia Cure for about four months and it cured me. Prepared by E. O. DOWITT & CO., CHICAGO. Sold at Trout's drug store.

ISAAC MILLS DEAD.

Well Known Veteran of the Civil War Passes Away.

Isaac Mills, one of Brush Creek's oldest citizens quietly passed away at his home near Emmaville last Friday, aged 74 years, and 2 months.

Mr. Mills was born near the place of his death, and spent most of his life in that community, where he will be missed by his many friends and acquaintances.

He was of a cheerful, sunny disposition—always making the best of life, and cheering those around him.

He served as a member of Company L, Twenty-second Cavalry, under Capt. French during the Civil War in which he saw much active service and was exposed to many hardships.

After his return from the army he conducted a store in Emmaville until compelled by the infirmities of age to retire from business.

He is survived by his wife and seven children, namely, Alexander of Everett; Benjamin of State Line; Emanuel, John, Mrs. F. M. Lodge, Mrs. D. O. Miller and Mrs. W. F. Barton, all of the Valley.

Funeral services were held Sunday morning at McKendree M. E. church by Rev. John Barney.

Messrs. L. D. Keebaugh and Wilber Fraker of Burnt Cabins spent Tuesday night in McConnellsburg and were agreeable callers at the News office.

Dreadful Attack of Whooping Cough.

Mrs. Ellen Harrison, of 300 Park Ave., Kansas City, Mo., writes as follows: "Our two children had a severe attack of whooping cough one of them in the paroxysm of coughing would often bleed at the nose. We tried every thing we heard of without getting relief. We then called in our family doctor who prescribed Foley's Honey and Tar. With the very first dose they began to improve and we feel that it has saved their lives." Refuse substitutes. Sold at Trout's drug store.
