**THE MISSION OF SORROW.**  
(Continued from first page.)  
He goes more softly all his years.  
A softer cadence in his songs.  
A truer grasp is in his hand.  
For out of seeming bitter wrongs,  
He comes at last to understand  
The heart beats of his fellow men.  
The shining of these hopes and fears,  
When grief brings him his message, then  
He goes more softly all his years."  
(Continued next week.)

**Clear Ridge.**  
Our farmers are busy planting corn.

Mrs. Hannah Brown is spending some time with her daughter, Mrs. Jacob Winegardner.

Mrs. Marissa Price left on Monday to spend a few weeks with her brother, E. Grant Anderson, at Piteadra.

Miss Lillian Flemming spent a few days recently with Mrs. Dr. S. R. Fraker, at Fort Littleton.

L. C. Kelly, of Burnt Cabins, passed through this place on Monday.

Misses Elsie Baker and Maude Fields left on Monday to attend McConnellsburg Normal School.

Henry Fraker sprained his limb very badly on Saturday; it was first thought to be broken.

Miss Grace Huston left on Tuesday for Illinois.

Mrs. H. J. Grove and Mrs. J. W. Mowers spent Sunday with the former's sister, Mrs. Lizzie Berkstresser, of Waterfall.

On Friday evening a ribbon social is to be held at this place. Proceeds for the M. E. church.

While B. S. Winegardner was returning from a party at John Winegardner's, near the wooden bridge in company with his sister, Goldie and Louie Kerlin, Friday night, some half-witted person concealed in the bushes threw a stone at them, the missile striking Miss Winegardner in the forehead, causing a painful wound. She was taken back to the Winegardner home, where she remained over night after having the wound dressed.

Memorial Day will be appropriately observed in this locality. The procession will leave Clear Ridge at 8:30 and proceed to Winegardner's to decorate the graves.

It will then join the Hustontown procession and return to Clear Ridge where after decorations and adjournment for dinner patriotic addresses will be delivered. The bill of fare will consist of bean soup and hard tack.

Jess Miller and family visited Alfred Brown's on Sunday.

Miss Ella Irwin, of McConnellsburg, is visiting Miss Millie Huston.

A necktie social will be held here Friday evening.

Mrs. Margaret Henry is able to be out again.

The painters will beautify John A. Henry's new house as soon as the painting of the M. E. church is completed.

Mrs. Ettie Long visited her mother at Dublin Mills Saturday.

B. S. Winegardner made a business visit to McConnellsburg on Monday.

Some person or persons entered the cellar of James H. Fields one night last week and liberally helped themselves to a box of canned fruit. Mrs. Fields will be obliged if the empty jars, at least, are returned.

Thompson & Steach, of McConnellsburg, are painting the M. E. church.

**A Lesson in Health.**  
Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. Sold at Trout's drug store.

**A Revelation.**  
If you make inquiry it will be a revelation to you how many succumb to kidney or bladder troubles in one form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure. It never disappoints. Sold at Trout's drug store.

TROUT'S DRUG STORE SUCCESSFUL.

Induced Dr. Howard Company to Make Special Price.

After a great deal of effort and correspondence, Trout's Drug Store, the popular druggists, have succeeded in getting the Dr. Howard Co. to make a special half-price introductory offer on the regular fifty cent size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a recent discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief, but it makes permanent cures.

Dr. Howard's specific has been so remarkably successful in curing constipation, dyspepsia and all liver troubles, that they are willing to return the price paid in every case where it does not give relief.

The old-fashioned idea of dosing with mineral waters, cathartic pills or harsh purgatives will soon be a thing of the past. The best physicians are prescribing Dr. Howard's specific because it really gives the desired results and on account of the small and pleasant dose that is needed.

Headaches, coated tongue, dizziness, gas on stomach, specks before the eyes, constipation, and all forms of liver and stomach trouble are soon cured by this scientific medicine.

So great is the demand for this specific, that they have been able to secure only a limited supply, and every one who is troubled with dyspepsia, constipation or liver trouble should call upon them at once, or send 25 cents, and get sixty doses of the best medicine ever made, on this special half price offer, with their personal guarantee to refund the money if it does not cure.

Disastrous Wrecks.

Carelessness is responsible for many a railway wreck and the same causes are making human wrecks of sufferers from throat and lung troubles. But since the advent of Dr. King's New Discovery for consumption, coughs and colds, even the worse cases can be cured, and hopeless resignation is no longer necessary. Mrs. Louis Cragg of Dorchester, Mass., is one of many whose life was saved by Dr. King's New Discovery. This great remedy is guaranteed for all throat and lung diseases by all druggists. Price 50c and \$1.00. Trial bottle free.

BRUSH CREEK.

The farmers of our valley are busy getting ready to plant corn. Miss Ada Barton left last Sunday for McConnellsburg, where she expects to attend the Normal School.

Austin Hill of Bethel township, spent a few days recently with his sister, Mrs. J. C. Barton.

Miss Laura Lodge spent last Wednesday afternoon with Miss Gertrude Barton.

Miss Ada Barton spent last Friday afternoon with her aunt, Mrs. B. F. Whitfield.

A party was held at the home of M. E. Barton on last Friday evening. The time was very pleasantly spent in games of various kinds. About 12 o'clock refreshments were served, after which all left for their homes saying they had a good time. Those present were Misses Grace and Flora Smith, Georgia and Laura Lodge, Flora Mills, Cora Duvall, Bessie Barton, Mary Seeling and Mrs. Helen Duvall, and Messrs. Clyde and Stanley Akers, Walter, Clarence and Clem Barton, Arthur, Lewis and Howard Duvall, Hunter Jackson, Perry Hixson, Haslet Walters, John and George McKibbin, Ross Jackson, Walter and Claud Smith and Austin Hill.

Not a Sick Day Since.

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not had a sick day since. Neighbors of mine have been cured of rheumatism, neuralgia, liver and kidney troubles and general debility." This is what H. E. Bass of Fremont, N. C., writes. Only 50c by all druggists.

The Normal school opened in this place Monday afternoon with an attendance of seventy young ladies and gentlemen. We will give you their names next week.
