A Cure for Piles.

"I had a bad case of piles," says G. F. Carter of Atlanta, Ga., "and consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve. I purchased a box and was entirely cured. It is splendid for piles, giving relief instantly, and I heartily recommend it to all sufferers." DeWitt's Witch Hazel Salve is unequalled for its healing qualities. To Kill the Rats.

Here's a farmer's receipt for ridding his premises of rats and mice: If you will sprinkle sulphur on your barn floor and through your corn as you gather, there will not be a rat or mouse bother. I have done this for several years and have never been bothered with rats or mice. I have some old corn in the crib at present and not a rat or mouse is to be found. In stacking hay or oats sprinkle on the ground and a little through each load, and, my word for it, rats or mouse can't stay there. A pound of sulphur will be sufficient to preserve a large barn of corn, and it is good for the stock, and it will not hurt the corn for bread.
