who can not stand the shocking strain of laxative syrups and cathartic pills are especially fond of Little Early Risers. WANTED: 50 MEN AND WOMEN.

To Take Advantage of Special Offer Made by Trout's Drug Store.

Trout's Drug Store, the enterprising druggists, are advertising to day for fifty men and women to take advantage of the special half-price offer they are making on Dr. Howard's celebrated specific for the cure of constipation and dyspepsia, and get a fifty cent package at half-price, 25 cents.

So positive are they of the remarkable power of this specific to cure these diseases, as well as sick headaches and liver troubles, that they agree to refund the money to any customer whom this medicine does not quickly relieve and cure.

With Dr. Howard's specific at hand, you can eat what you want and have no fear of ill consequences. It strengthens the stomach, gives perfect digestion, regulates the bowels, creates an appetite, and makes life worth the living.

This is an unusual opportunity to obtain 60 doses of the best medicine ever made for half its regular price, with the personal guarantee of a well known business firm to refund the money if it does not give satisfaction.

If you cannot call at Trout's drug store to-day, send them 25 cents by mail and they will send you a package promptly, charges paid.

Trout's drug store has been able to secure only a limited supply of the specific, so great is the demand, and you should not delay taking advantage of the liberal offer they are making this week.

The Faith-Healers and Smallpox.

It is said that there is quite an epidemic of smallpox prevailing in the Red Brush section of Page county, Va., and that the spread of this contagious disease is chiefly due to the methods which the religious sect called "Faith Healers" have pursued in regard to it. In that community there is a large number of these people and they do not believe that disease can be cured by medical treatment. So when the smallpox first broke out in the families of some of the "Faith Healers," instead of sending for a doctor, large numbers of them met together and sang, prayed and chanted over the sick persons, saying that would cure them without any medicines or doctors. The result was that the disease spread rapidly, those who met to pray, chant and sing getting it and then in turn communicating the disease to others.

It is said that the county officials of Page county have taken hold of the matter and are now compelling the people to accept proper treatment and that in this manner the dreaded disease is being checked.
