**TROUT'S DRUG STORE SUCCESSFUL.**

Induced Dr. Howard Company to Make Special Price.

After a great deal of effort and correspondence, Trout's Drug Store, the popular druggists, have succeeded in getting the Dr. Howard Co. to make a special half-price introductory offer on the regular fifty cent size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a recent discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief, but it makes permanent cures.

Dr. Howard's specific has been so remarkably successful in curing constipation, dyspepsia and all liver troubles, that they are willing to return the price paid in every case where it does not give relief.

The old-fashioned idea of dosing with mineral waters, cathartic pills or harsh purgatives will soon be a thing of the past. The best physicians are prescribing Dr. Howard's specific because it really gives the desired results and on account of the small and pleasant dose that is needed.

Headaches, coated tongue, dizziness, gas on stomach, specks before the eyes, constipation, and all forms of liver and stomach trouble are soon cured by this scientific medicine.

So great is the demand for this specific, that they have been able to secure only a limited supply, and every one who is troubled with dyspepsia, constipation or liver trouble should call upon them at once, or send 25 cents, and get sixty doses of the best medicine ever made, on this special half-price offer, with their personal guarantee to refund the money if it does not cure.
