PRICE 50c. and \$1.00. For Sale at Trout's Drug Store

**Sterling Silver Thimbles**

25 Cents Each.

This announcement may seem commonplace and of no special value to the public, but when we say that these thimbles are Sterling silver 925-1000 fine, extra heavy and made by the largest thimble maker in this country, the subject should become interesting. The present low price of silver, 48 1/2 cents per ounce, the lowest in its history, combined with our very modest profit, gives you a thimble which formerly sold at 50 cents for 25 cents. Two cents postage must accompany mail orders.
