Suggestions by Dr. Hartman—How to Combat the Nervous Depression Incident to Warm Weather.

Nervousness is very common among women. This condition is due to anæmia of the nervous system. The nerve centers become bloodless for the want of proper nutrition.

This condition is especially noticeable during the warm season. Every summer an army of invalids are produced as a direct result of weak nervous systems. This could easily be overcome by the use of Penuin for nervous ailments.

Miss Blanche Grey, a prominent young society woman of Memphis, Tenn., in a recent letter from 174 Alabama street, writes: "To a society woman whose nervous force is often taxed to the utmost from lack of rest and irregular meals, I know of nothing which has so much benefited as Penuin. I took it a few months ago when I was in a very nervous way, and it soon made me manifest in giving me new strength and health."

Penuin Contains No Narcotics. One reason why Penuin has found permanent use in so many homes is that it contains no narcotics of any kind. Penuin is perfectly harmless. It can be used any length of time without acquiring a drug habit.

It has no effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Penuin has been used off and on for twenty years. Such a thing could not be possible if Penuin contained any drug of a narcotic nature.

Aid Mothers and Babies. The deaconesses of the Chicago home are planning a campaign of "fresh air work" for the coming summer. Last year they provided outings of one week or more to 700 poor children and worn-out mothers and babies.
