

Mr. Conrad Gress lost a valuable cow one day last week.

There will be an ice-cream supper in the Hall at Gem, on Saturday evening, July 9, 1904.

Miss Elizabeth Dietrich of Waynesboro, is visiting her cousin, Mrs. R. N. Fryman of the Cove.

Thomas Hollenshead of Harrisonville, was a business visitor at the County Seat last Thursday.

This is a good time to subscribe for the FULTON COUNTY NEWS. Only a dollar a year in advance.

The Hollinshead distillery property was sold a few days ago to A. J. Unger of Foltz, for \$1520. It includes 70 acres of ground.

M. R. Shaffner, Esq., spent last Wednesday at Harrisonville and at Hustontown in the interests of his telephone company.

Miss Mary Scott Sloan, who has a position at the Chester Spring Soldiers' Orphan' school, is home for her summer vacation.

Two valuable cows belonging to Mrs. David C. Smith, of Peters township, Franklin county, were killed by lightning on Monday of last week. The bolt struck them as they were standing in a field along the fence, not under a tree.

During the thunder storm on Monday of last week a flash of lightning struck wire fence on the farm of D. P. Myers in Cumberland county, which conveyed the battery among his herd of cattle which were huddled to gether in the field near the fence, causing instant death to four of his best milch cows, two of which he refused \$45 a piece for a short time ago. It is supposed the heat of the cattle attracted the electricity from the wire.

A FRIGHTENED HORSE.

Running like mad down the street dumping the occupants, or a hundred other accidents, are every day occurrences. It behooves everybody to have a reliable Salve handy and there's none as good as Bucklen's Arnica Salve. Burns, cuts, sores, eczema and piles, disappear quickly under its soothing effect. 25c. at Trout's Drug Store.

The Most Original Novel of The Year.

The most competent judges have pronounced "In the Bishop's Carriage" the most original novel of the year.

It is a tale about flesh and blood people; a story for men and women.

"Uncle Joe" Cannon, Speaker of the National House of Representatives, is most enthusiastic in his praise of Miss Miriam Michelson's book. This is what he has to say about it:

"I am in receipt of a copy of 'In the Bishop's Carriage' by Miriam Michelson. I read the same with great pleasure. It seems to me it ought to be a popular publication and one that will exert a good influence. Perhaps I can best describe it by saying that I commenced reading it early in the morning and finished it that night and the coming morning, and when finished I drew a long breath and felt that I had forgotten everything else but the book and regretted that there was not more of it. With respect, etc.

"J. G. CANNON."

Could anything be stronger or could praise come from a better source?

The story is something absolutely new in the literary line—a theatrical romance that abounds in thrilling situations interwoven with genuine humor and human heart-burnings. In fact, the tale is so remarkably good that the Sunday North American of Philadelphia has secured the exclusive right to publish it in this territory, and will print the first instalment next Sunday June 26, with illustration worthy of the story.

Miss Michelson, the author, has been for several years a successful and much-admired writer of newspaper and magazine articles.

WARNING.

If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases.—Sold at Trout's Drug Store.

Christian Endeavor Day.

The Mont Alto C. E. Assembly Association will hold its fourteenth annual assembly at Mont Alto Park, Thursday, August 4, 1904.

The addresses will be delivered by Rev. A. A. Long, Shamokin; Rev. C. H. Woolston, D. D., Philadelphia; Rev. W. H. Fouke, Harrisburg; and Rev. John O. Reagle, Shippensburg.

Prof. and Mrs. J. J. Lowe of Philadelphia, will conduct the singing. A good orchestra will render special music.

Every effort is being made to have an enjoyable and profitable meeting, and the Endeavorers and their friends may anticipate a program of spiritual helpfulness.

WAS WASTING AWAY.

The following letter from Robert R. Watts, of Salem, Mo., is instructive. "I have been troubled with kidney disease for the last five years. I lost flesh and never felt well and doctored with leading physicians and tried all remedies suggested without relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." Sold at Trout's Drug Store.

WEST DUBLIN.

Some of our people attended the laying of the corner-stone service at Center on Sunday afternoon. Rev. J. D. W. Deavor had charge of the service.

Samuel J. Strait went to Three Springs on Monday to meet his brother William and family who have been living in Altoona the past two years.

There will be a festival at Fairview M. E. church next Saturday evening, July 2nd.

Last Tuesday forenoon about eighty of J. W. Laidig's neighbors met to assist in raising the frame of his new barn. Everything went together well and by a few minutes past eleven o'clock the rafters were all in place and those present partook of a good dinner which had been prepared for them. H. K. Mellott has charge of the carpenter work.—The barn is 68x38 feet, and when completed will add much to the appearance of Mr. Laidig's farm.

WROUGHT IRON RANGE CO.

Manufacturers of Home Comfort Steel Ranges. Paid up Capital 1,000,000. Founded in 1864.

These Ranges are Sold from the Company's Wagons, by Their Traveling Salesmen. Read the following:

In another column appears the advertisement of the St. Louis Wrought Iron Range Company, whose agents are canvassing the county for the sale of the widely known and justly celebrated ranges manufactured by the company. The headquarters of these agents are at McDonald. The testimonials printed in their advertisement, from so many prominent citizens of Greene and Washington counties, are sufficient to satisfy all reasonable people that the character of the men now traveling this county is all right, and that their business methods have been entirely satisfactory to their customers. We commend these men to our readers, and the ranges comment themselves.—Washington Democrat.

Below is the opinion of a number of Waynesburg's business men as to their conduct here: "We, the undersigned citizens of Waynesburg, Pa., can testify that our acquaintance and observation with the Division Superintendent for the Wrought Iron Range Co., St. Louis, Mo., and his corps of salesmen for the past three months, permit us to recommend as being gentlemen, they have manifested push and enterprise in their business, while in our midst, and our well wishes go with them in their new fields of labor."
