

There are 150 persons in Dr. Barton's party to St. Louis.

Sound kidneys are safeguards of life. Make the kidneys healthy with Foley's Kidney Cure.

J. W. Lake and H. H. Strat of Pleasant Ridge, were registered at the Fulton house last Thursday.

This is a good time to subscribe for the FULTON COUNTY NEWS. Only a dollar a year in advance.

Mr. Francis M. Taylor, one of Uncle Sam's surveyors, left last week for the Rosebud Indian reservation, to help "lay out" new farms for prospective settlers.

Parlor Ringel Skinner of Chambersburg, the popular Right Fielder in the All-Collegiate team that played our boys last Saturday, was the guest of Miss Mabel Trout over Sunday.

A Chicago girl wrote the beauty department of a local paper, and asked: "What is good for big feet?" Promptly the reply appeared, "Big shoes."

The Schellburg Classical Seminary is the name of a new institution just established at Schellburg, Bedford county. The seminary will open a nine months term in September.

Foley's Kidney Cure purifies the blood by straining out impurities and tones up the whole system. Cures kidney and bladder troubles.

Don't take refuge under a tree or near a wire fence during a thunder storm. Both are dangerous places for lightning strokes. It is safer to take the open field and the falling rain.

It is a strange fact that the person who don't subscribe for a paper, is the first to find fault with something in it. Better for such a person to keep his hands off a paper that somebody else pays for.

The married state has been defined as a special dispensation of providence for the happiness of mankind, or as an ingenious invention of the devil in order to tie people together who were sure to make each other miserable.

Last Thursday afternoon lightning struck and killed five valuable milk cows and a heifer belonging to Ed Shafter, who lives on the Samuel Moses farm near Osterburg, Bedford county. The cattle had taken shelter under a tree during the storm.

If one could save one cent the first day of the month, 2 cents the next day and so on, doubling the amount each day, he would have nearly \$3,000,000 at the end of the month, providing the month had 31 days and his salary could stand the pressure.

Rev. W. W. Evans, presiding elder of the Junata district of the Methodist church with Mrs. Evans, who returned home from their California trip a few days ago, met with an accident while in Los Angeles from which he is still suffering. While stepping from an elevator the Dr. stumbled, dislocating two toes and otherwise injuring his foot so that an operation was necessary.

Although having passed her three-score and ten years in life, Mrs. Jonas Mellett of Belfast township, is in the possession of sufficient health and vitality to outdo many younger women when it comes down to straight everyday work. She thinks nothing of doing the house work at her home on the farm, but milks the cows and makes about twenty pounds of choice butter every week.

PILES UPON TOP OF PILES.
Piles upon top of piles of people have the piles—and DeWitt's Witch Hazel Salve cures them.—There are many different kinds of piles, but if you get the genuine and original **Witch Hazel Salve** made by E. C. DeWitt & Co., of Chicago, a cure is certain. H. A. Tisdale of Somerton, S. C., says, "I had piles for 30 years and DeWitt's Salve cured me after everything else failed." Sold at Trout's drug store.

Ohio's Marriage Restrictions.

On Friday, May 27, Ohio entered upon an interesting experiment in the matter of restricting marriage. By a law passed by the recent legislature of that State all applicants for marriage licenses upon applying to the Probate Court for legal permission to wed are required to answer the following questions:

Is either party a habitual drunkard?
Is either an epileptic?
Is either insane?
Is either under the influence of an intoxicating liquor or drug?

The happy swain who hereafter goes to the Probate Court in Ohio for a license must be prepared with some knowledge of his own and his fiancée's habits and state of mind and body. Doubtless the questions will seem impertinent or insulting, and certainly no one but a probate judge would dare to propound such inquiries. However, as the queries will be printed on record forms, the would-be bridegroom will probably look upon them merely as another device to make him as uncomfortable and foolish as possible at this momentous crisis of his life and fill them out as well as his confused intellect will allow under the circumstances.

Meanwhile other States will watch with interest Ohio's experiment in matrimony along a line in which progressive thought has been moving for many years.

TWO BOTTLES CURED HIM.

"I was troubled with kidney complaint for about two years," writes A. H. Davis, of Mt. Sterling, Ia., "but two bottles of Foley's Kidney Cure effected a permanent cure." Sold at Trout's Drug Store.

Established Stage Line.

The Philadelphia North American republished the following from its columns of June 21, 1894: "It is with much satisfaction we advise the public, that the Post Master General, has made contracts for the Establishment of a line of Stages for the more safe conveyance of the mail, from this city to Chambersburg, and from Baltimore and Philadelphia to the same place, and from thence to Pittsburg. This arrangement commences on the 1st of July."

Borough Teachers Elected.

At a meeting of the school board last Saturday evening the following persons were elected to teach the Borough schools during the ensuing term. High school, Prof. Emory Thomas; Grammar, Prof. B. C. Lamberston; Intermediate, Miss Estelle Logue, and Primary, Miss Olive Grissinger. Mr. Thomas will receive a salary of \$42 a month; Mr. Lamberston, \$40; Miss Logue and Miss Grissinger each \$35. Tax rate, 5 mills. Term, 8 months.—School will open September 5th.

Wonderful Nerve.

Is displayed by many a man enduring pains of accidental cuts, wounds, bruises, burns, scalds, sore feet or stiff joints. But there's no need for it. Bucklen's Arnica Salve will kill the pain and cure the trouble. It's the best Salve on earth for piles, too. 25c. at Trout's Drug Store.

Notice.

George W. Decker and J. W. Hoop will receive bids for the followings stands, to be held on the grounds of the Fulton County Veterans Association at their Reunion, August 26, 1904. No. 1.—Ice cream, cake and lemonade.—No. 2.—Confectionery.—Tobacco, cigars, melons, oranges, bananas, peanuts, cakes and candy. No. 3.—Pop stand. No. 4.—Iced tea. No. 5.—Milk shake. All these stands have the privilege of selling lunch. No. 6.—Horse feed. All bids must be in by August 6th. By order of the committee.

WROUGHT IRON RANGE CO.

Manufacturers of Home Comfort Steel Ranges.
Paid up Capital 1,000,000. Founded in 1864.

These Ranges are Sold from the Company's Wagons, by Their Traveling Salesmen. Read the following:

In another column appears the advertisement of the St. Louis Wrought Iron Range Company, whose agents are canvassing this county for the sale of the widely known and justly celebrated ranges manufactured by the company. The headquarters of these agents are at McDonald. The testimonials printed in their advertisement, from so many prominent citizens of Greene and Washington counties, are sufficient to satisfy all reasonable people that the character of the new law traveling this county is all right, and that their business methods have been entirely satisfactory to their customers. We commend them to our readers and the ranges commend themselves.—Washington Democrat.

Below is the opinion of a number of Waynesburg's business men as to their confidence here:—
"We the undersigned citizens of Waynesburg, Pa., can freely say that our acquaintance and observation with the Division Superintendent for the Wrought Iron Range Co., St. Louis, Mo., and his corps of salesmen for the past three months, permit us to recommend as being gentlemen, who have manifested skill and enterprise in their business, while in our midst, and our well wishes go with them in their new field of labor."

The automobile club of America has mapped out two routes for the runs from New York to St. Louis of the members, and one of them is via Harrisonville and Pittsburg, the other through Cumberland and over the national pike. The run will commence July 27. It is not altogether improbable that they will go one of the routes named and return by the other.

Weak Hearts.

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, the stomach expands—swells, and pushes up against the heart.—This crowds the heart and shortens the breath. Rapid heart beats and heart disease is the final result. Kodol Dyspepsia Cure digests what you eat, takes the strain off the heart, cures indigestion, dyspepsia, sour stomach and contributes nourishment, strength and health to every organ of the body. Sold at Trout's drug store.
