The engineers of the last few years in relaying railway tracks, instead of starting a true circle curve with the sudden lift of the outer rail that causes the jolt and lurch that travelers know, have laid a slight parabolic curve from a point a hundred yards back on the straight track and have elevated the outer rail imperceptibly along that curve to the maximum. The result of the device-in practice quite new-has been the annihilation of curves as regards a passenger's sense.

#### He Had to Pass.

A business man was the father of a handsome daughter who had a caller who was in the habit of holding her hand and talking foolishness to her about three times a week. The old man was not ORCHARD GROVE dren near Fort Littleton, spent particularly stuck on the youth Sunday with Mrs. Fraker's par- on general principles and the conents, Mr. and Mrs. Nathan Henry, duct of the young man seemed to Charley Henry and Amos Hus. him to be the mushiest he had ed to give the girl a game of talk on the subject and said. "It occurs to me Myrtle that this young fellow who is banging around here every evening is the softest human I ever noticed in my journeying through this vale of tears. If he should ever get out in the pasture among the cattle, who were hungry for something green he wouldn't last a minute. If he Baking Powder Cloyd, spent last Tuesday with is a specimen of the young man Baking Powder of the generation, the race is pet-Miss Maggie Carmack is spend- ering out mighty fast it seems to

But instead of being crushed Pound package, coffee as the old man expected, the Loose coffee A very pleasant party was held young lady took a letter from her written to the girl's mother some Miss Lizzie Heeter spent Fri. 25 years ago, in the course of Miss Cordelia McClain spent a live times, his "darling rosebud" pining away to a shadow because Miss Annie Fields spent last he had not seen her for three days; spoke of the honey of her lips three times, and wound up for was the anticipation of the time when he should once more look into her eyes and hold her soft hand in his once more. "It occurs to me papa that the cattle must not have been so very hungry 25 years ago, or they never would have overlooked as good a thing as you," said the daughter as she carefully folded the letter

and put it away. Then the old man thought it was time for him to pass, for he saw that she had him.

Moral: Probably the young people are a good deal like they used to be.
