**Shippensburg Normal School.**  
The Shippensburg Normal School offers to students superior advantages at very moderate rates. To become a successful teacher, a special education is needed. Young persons who attempt to teach without special preparation for the work, do themselves and their schools great injustice. The state pays the tuition of all persons over 17 years of age who are preparing to teach.

Persons having a fair knowledge of the common branches, should enter at the opening of the Fall Term and spend a year in completing the work of the Junior class. Every person recommended this year by the Faculty of the Shippensburg Normal School passed the State Board examination successfully. This indicates that the work in the class room is done thoroughly and skillfully. If you are interested in a Normal Course write to Dr. G. M. D. Eckels, Shippensburg, Pa., for catalogue and other information.

**THE New York World**  
THREE-A-WEEK EDITION.  
Read wherever the English Language is Spoken.

The Three-a-Week World long ago established itself in public favor, and it is now recognized as the strongest publication of its kind in the United States. Advertisers and publishers seeking clubbing combinations—and they know best—universally testify to this. It is widely circulated in every State and Territory of the Union, and even in remote South Africa and on the gold fields in the deserts of Australia. These are the things that tell.

This year we have the Presidential campaign, in which all Americans are deeply interested. Already the issues are being discussed and the two great parties are preparing for the first moves. You will not want to miss any details, and if you subscribe now your year's subscription will cover the campaign from beginning to end.

The Three-a-Week World is absolutely fair in political news. Partisan bias is never allowed to affect its news columns, and Democrat and Republican alike can obtain in its pages truthful accounts of all the great political contests.

In addition to all the news, the Three-a-Week World furnishes the best serial fiction, elaborate market reports and other features of interest.

The Three-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and The Fulton County News together one year for \$1.75.

The regular subscription price of the two papers is \$2.00.
