By reference to an advertisement in this paper, it will be noticed that S. B. Woollet has decided to sell his hotel property, and he and Mrs. Woollet, who have for so many years catered to the comforts of the traveling public, will spend the remainder of their days in retirement from the active pursuits of business careers. This is one of the most desirable hotel properties in this section of the State, having a patronage of which any house may feel proud. The location of McConnellsburg, with its beautiful surroundings, splendid water and delightful climate, makes it an attractive resort for summer boarders from the Eastern cities, and Mr. and Mrs. Woollet are obliged every year to turn down a great many applications.

**Clear Ridge Boys Claim Championship of County.**

Clear Ridge, August 23.—Last Saturday McConnellsburg was scheduled for a game with our home team, but something occurred that the burgers did not turn up; in fact, they don't have the nerve to play away from home. Since this disappointment, Clear Ridge holds the championship of the county. They claim they have nerve enough to play any team in the county on a fair and square deal, and that their mothers never got the toothache when they wanted to leave home for a game of ball. The Ridge boys felt disappointed when the burgers did not come but they soon made ready and went to Walnut Grove and crossed bats with the Huntingdon county boys. They were a jerry set of players and the score ended 3 to 1 in favor of Clear Ridge.

**A Sweet Breath**

is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes: "I have been a dyspeptic for years; tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Sold at Trout's drug store.

**The Boy from Nowhere.**

Dave Humbert is a bachelor of Thompson, doing his own cooking and farmwork with the assistance of a boy seventeen years old, besides other duties of a public nature. Last Wednesday morning a boy about 14 years of age, heavy set, light hair and blue eyes with a slight scar upon his left eyebrow, with two crippled fingers, and other marks upon his person, came to Mr. Humbert's home, asking for a home and a "crust of bread." Of course he was taken in and set to washing dishes, feeding calves, and helping on the farm.

Communication by wire was at once begun with Thomas Gordon of Greencastle, Pa., whose runaway son answered the above description. Mr. Gordon came over on Friday and took a look at the boy, but was disappointed in not finding his son. The boy says that this is the third time Mr. Gordon has run him down—at Sweeney's camp, upon the Wabash R. R., on the toe path of the B. & O. canal, and this time. We extend our sympathies to Mr. Gordon in his trouble.  
The boy claims to be an orphan, and that he has run away from his guardians because he was obliged to give them what he earned for them to live upon. At the same time he says he has quite a sum of money tied up in his guardians' hands that he cannot get until he is of legal age. The boy is city spoiled with country ways.  
Any information in regard to the above boy will be supplied up on application to the editor or to D. T. HUMBERT, Dickeys Mountain, Pa.

Miss Anna Buckley left last week for an extended tour of the western states including a visit to the World's Fair.  
Mr. Bert Orth and wife, of Shelby, Iowa, are visiting his mother at this place.
