WHAT'S IN A NAME?

Everything is in a name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago, discovered some years ago how to make a salve from Witch Hazel that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold at Trout's drug store.

THE MAN OF THE HOUR.

His Wonderful Discovery Pronounced the Greatest Boon of the Age.

PROF. C. U. HOKE, German.

Prof. Hoke's endorsements of the newspapers where he did business before he came to Chambersburg. If a man has such endorsements he need not take a back seat.

Extracts from Lancaster Papers. "Although Prof. Hoke, the Electric Magnetic Specialist, has gained a merited reputation throughout Lancaster county for many remarkable cures effected since locating here two years ago, yet it is possible that the general public are not aware of the serious nature of the many cases he has successfully treated. We cite for the benefit of the suffering some of the cases."

(Here are appended sketches of some of the most remarkable of Prof. Hoke's cures.)

ENDORSEMENTS OF THE PRESS.

Says the Lancaster New Era. A representative of this paper having heard of a marvelous cure wrought by Prof. Hoke's Electric Magnetic Treatment, determined to investigate the case and found it true. The case is that of a boy who for two years suffered from Catarrh of the stomach. His father, Joseph Kokenhour, one of the most prominent farmers in Lancaster county, told us this: "I tried the best physicians in the city, but the boy grew worse. I heard of Prof. Hoke's wonderful cures. Called on him. He thought he could help him. The boy could not even dress himself. I took his Electric Magnetic Belt and Insoles home; put them on the boy.— In two weeks' time he was able to call at Prof. Hoke's office. In three months he was almost as well as ever.— He had not been able to attend school for two years, now goes daily, and enjoys himself like the other boys."

From the York (Pa.) Dispatch. A representative of the Dispatch who investigated many of Prof. C. U. Hoke's miraculous cures when in York a few years ago, can testify to many cases there where he gave permanent relief to scores of men and women after years of suffering and useless treatment from various doctors. Those cured of Stomach Troubles, Rheumatism, Paralysis and Female Complaints have told the writer they were cured by Prof. Hoke when all else failed, after years of misery.

SUCCESSFUL CURIST.

From People's Register, Chambersburg. Patrons of the Register have undoubtedly become familiar with the advertisements which have appeared from week to week in this paper by Prof. Hoke, who is the inventor and patentee of the so-called "electric-magnetic" appliances. The relief obtained by patients who have tried the appliances, as well as the cures effected, fully attest to the efficacy of Prof. Hoke's treatment. Almost every mail brings to Prof. Hoke testimonials from those who have tried the cure, these being enthusiastic in his praise and thanking him again and again for his treatment.

Prof. Hoke is very gentlemanly, and has won for himself an enviable name in the community, being fully prepared to substantiate all claims as to his ability to cure certain complaints and to prove the statements made in his advertisements.

NO USE FOR THE CRUTCHES.

The people of Newburg are greatly surprised to see Edward Watson walk around town without crutches. Mr. Watson is a sufferer for 20 years; more than a year could not walk through the room without crutches. Last Tuesday two weeks ago, he tried Hoke's Genuine Electro Magnetic Appliances, and the following Saturday Mr. Watson walked up town without crutches, and since then took walks outside of town. It is a great surprise to his friends to see him up town, as he has not done so for many months.

It is very seldom Prof. Hoke advertises names, but Mr. Watson wanted his name advertised. He said that every sufferer ought to know what Hoke's appliances have done for him. Wonderful statements from Waynesboro, Lehmaster, Mercersburg and Chambersburg people challenge any treatment whatever to show equal results.

Prof. C. U. Hoke is the inventor of Hoke's Genuine Magnetic Medicated Appliances, such as Body Belts, Chest Pads, Limb Belts, Female Supporters, Insoles, &c.

Hoke and wife will be at the Washington House in McConnellsburg the first week in October.
