MISS FANNIE HESS.

Continues her Trip Among Friends in the West.

I spent about two weeks visiting relatives and friends in Ohio, and while there cousin Rotta Hess and her sister and I took a trip to Toledo across Lake Erie to Detroit on the steamboat Greyhound. This is one of the largest vessels on the lake, being about 300 feet in length.

Detroit is a beautiful city, and as the Detroit River separates it from Canada, we could see the Canadian shore very plainly. We boarded a street car which had been engaged for our party and made a tour of the principal parts of the city. There are many beautiful parks, fine stores, and residences.

August 2d, Mr. and Mrs. Hartman and I drove over to Liberty Centre, a distance of about fifteen miles, and visited their oldest son. We crossed the Maumee river on a ferry boat at Damascus. The river is about 80 rods wide at that place. It is useless to say we did justice to the chicken and potato and numerous other good things that were set before us on the dinner table. On the 19th of August I went to Montpelier, Indiana, and spent a few days in the home of Mrs. Mary Rains, and Mrs. Alvira Gale, daughters of David Hess, formerly of Pennsylvania. The country around Montpelier and Hartford City is dotted with oil and gas wells, and in some places natural gas is used for light and fuel, but in others the gas is about done and they only have oil and nitroglycerine.

While I was visiting Mrs. Geo. Weirick and her mother, Mrs. William H. Hess, at Ridgeville, Indiana, they had what they call an "Old Settler's Day." In the evening the Ladies' band from Indianapolis gave a fine concert.

While in Hartford City, I had the pleasure of visiting Dr. and Mrs. T. W. Sharpe, and also Mrs. Elizabeth Sharpe. I was much interested in a visit to the glass factory and ice plant. It takes about twenty-four hours to freeze ice after the water is filtered, boiled and condensed.

I spent a few days in the home of cousins George and Laura Hess near Pine Village. They are prosperous and have a splendid farm in one of the best counties in Indiana. He had a large barn built last summer that will hold about 100 tons of hay. It is really the largest one I have seen in Indiana, but George says it is not the only large one. From Pine Village I went to Chicago and Aurora to visit Miss Clara Powell, a former Fulton county girl. Miss Powell is a teacher in the Jennings Seminary at Aurora, which is a religious as well as a sectarian institution for girls who are in moderate circumstances. Miss Powell spent a few days with me in Chicago where we visited many places of interest. Miss Powell is a graduate of the Missionary Training school in Chicago.

Now I have been in Iowa nearly three weeks visiting uncle John Hess and family. This afternoon we attended a family social at the home of Mrs. Percy Lamb. To-morrow morning I leave for Kansas.

While the people here do not have the variety of fruits you have in the East, they have plenty of good things to eat. One thing I enjoy is wild cherry butter, and as there are plenty of wild cherries in Fulton county, I will give you the receipt for making it:—Gather the cherries, wash and stew them by adding just enough water to prevent scorching.—When done, strain through a colander or wire sieve, then add a quart of sugar to a quart of pulp, and boil down to suit taste. I think you will find it delicious.

A POWER FOR GOOD.

The pills that are potent in their action and pleasant in effect are DeWitt's Little Early Risers. W. S. Philpot, of Albany, Ga., says: "During a bilious attack I took one. Small as it was it did me more good than calomel, blue mass or any other pill I ever took and at the same time the effect was pleasant. Little Early Risers are certainly an ideal pill." Sold at Trout's drug store.

WORKING OVERTIME.
Eight hour laws are ignored by those tireless little workers—Dr. King's New Life Pills. Millions are always at work, night and day, curing indigestion, biliousness, constipation, sick headache and all stomach, liver and bowel troubles. Easy, pleasant, safe, sure. Only 25c at Trout's Drug Store.

SUPPOSE.
Suppose that a farmer with his crop of 600 bushels of wheat, should sell to each of 600 people one bushel, for the sum of one dollar. Then suppose that those six-hundred people should feel that any old time would do to pay the dollar and the farmer would get a dollar now and a dollar then, and some of it—never. Now, the printer sells his paper to hundreds of people at a dollar each, and when part of his customers forget to pay, it puts him in a hard row of stumps.

The schools in our township (Taylor) began last Monday.

Rev. Wolf of the U. B. church preached his farewell sermon in this place last Sunday.

Miss Rebecca Smith, of Tennessee, Mrs. Fline and Mrs. Burckett, of Fort Kitleton, were visitors at the home of Mrs. S. F. Keepers last Friday.

In a game of ball at Clear Ridge last Saturday, noted principally for its errors, the Clear Ridge team defeated the home team by a score of 30-13. The Hustontown boys will play at Gracey next Saturday.

Rev. Alexander Lamberson, of Everett, spent the fore part of last week visiting with friends and relatives in this neighborhood.

Miss May Kirk returned to her home in Greensburg, Pa., last Thursday, after having spent her vacation in this place.

WHAT'S IN A NAME?
Everything is in a name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago, discovered some years ago how to make a salve from Witch Hazel that is a specific for piles. For blind, bleeding, itching and protruding piles, eczema, cuts, burns, bruises and all skin diseases, DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold at Trout's drug store.
