One of the most remarkable cases of a cold, deep-seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Fenner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." Sold at Trout's drug store.

Hunters should bear in mind that the fall hunting season does not open until October 15, and that before that time it is illegal to kill any wild turkeys, quail, pheasants, squirrels, etc. The season was made late and short in order to give the game, which was so scarce, a chance to increase, and all persons found killing game before opening of the season will be dealt with according to the severest measures of the law.

"Prof. Hoke: I will pen you a few lines. I suppose you think I had forgotten to write, as I had promised, but I merely neglected to do so. I am much better of rheumatism, and enjoy much more pleasure than I have for years. My back is much better, also my shoulders and knees; my inward weakness is also better. I am well pleased with what your treatment has done in two weeks. My friends are glad to see that I am better. You will get lots of patients through me. My case was a severe one; you saw what a cripple I was through rheumatism."—This is a lady near Fannettsburg, you can see her letter by calling at Hoke's office.

S. D. Stevens, the wellknown sewing machine man, Chambersburg, made a recent visit through the country, and saw this lady in her former condition. He recommended Prof. Hoke's treatment, and the above letter tells the result.

Would Not Take One Hundred Dollars.

Mr. Jacob Light, of Lemaster, says his wife, aged 67 years, had been a great sufferer with rheumatism and was hardly able to walk. She applied Hoke's Electric Appliances with wonderful success. Would not take a hundred dollars for appliances. Mr. Light himself is 74 years of age. Suffered with cold feet. Since using Hoke's Insoles has had no trouble.

An Open Letter.

"I must let you know how I am getting along. I am still improving, am still doing my own work, and am very thankful that I need not suffer with the weak nervousness that I used to have so much before using your treatment. I have had no nervous chest since I put on your supporters, chest pad and insoles. If I keep on gaining flesh as fast as I have the past two weeks, I will be a different looking woman. Every one can see I am filling up in my face. Yes, I can work once more; I do the cooking, ironing, baking, etc. I surely have great faith in your Electric Magnetic Medicated Appliances." This is a lady near Mercersburg, you can get her name and welcome to it.

GOOD SUCCESS IN A SEVERE CASE OF SICK HEADACHE.

Last June a middle aged lady called in Hoke's office. She said: "I have been a sufferer with sick headache from childhood." She applied Hoke's belt and insoles. Last Tuesday she called and said: "Soon after I applied the treatment I suffered with a severe spell, but none whatever since, which is about three months. Now it's a pleasure for me to go away from home."

Prof. Hoke says: Ladies, don't suffer with sick headache; you need not suffer at any time. You can have the name of this lady.

Prof. C. U. Hoke is the inventor of Hoke's Genuine Magnetic Medicated Appliances, such as Body Belts, Chest Pads, Limb Belts, Female Supporters, Insoles, &c.
