Mr. Unger Mellott, a former teacher in this county, has just taken charge of the Pine Grove school near Hyndman, Bedford county. Our neighboring counties are always glad to pick up a Fulton county teacher.

For the coming season, J. K. Johnston has the largest assortment of ladies' coats, jackets and pretty skirts that he has ever shown.

Another example of what Fulton county can do in the way of raising big corn came to our notice during the past week. G. Murray Ray, farmer on Mr. Archie Johnston's farm in the Cove, sent to this office a few ears of corn pretty hard to beat. One of the largest ears measures 13 1/2 inches in length, and contains 1,500 grains and weighs two pounds.

J. K. Johnston is selling the best Single Barrel Shot Guns, H. & R. at \$3.35 and a good Double Barrel Shot Gun at \$7.50.

Miss Ethel Hays, who accompanied Miss Alice Michael to Philadelphia, has returned to Everett to assist Miss Michael during the Fall and Winter.—Everett Republican.

Miss Stella M. Bard, a former Fulton county teacher, completed a course in stenography and typewriting and now has a nice position with the Randolph Company, wholesale grocers, at Elkins, W. Va. Elkins is the home of Henry G. Davis, Democratic nominee for vice president, and Miss Bard says she sees him very frequently.

Among the young business men in Mercersburg, there is no one that is more careful to do the fair thing with his customers than Mr. Bert F. Smith, manufacturer and dealer in harness, saddles, nets, whips, collars, robes, blankets, &c. Bert formerly worked in McConnellsburg, and will be glad to have any of his Fulton county friends call to see him when they come to Mercersburg.

NEVER ASK ADVICE.
When you have a cough or cold don't ask what is good for it and get some medicine with little or no merit and perhaps dangerous. Ask for Foley's Honey and Tar, the greatest throat and lung remedy it cures coughs and colds quickly. Sold at Trout's drug store.

The attention of the Borough authorities is respectfully called to the condition of the crossing between Dickson's and Trout's. The stones should either be raised or ferry boats provided for use of pedestrians in wet and muddy weather. It is an almost daily occurrence for horses to slip and fall on that crossing when coming down the hill faster than a walk. If only the members of the council would have to suffer in case of an action for damages, it would not be so great a matter; but it would be the whole town that would have to foot the bill.

MAKES A CLEAN SWEEP.
There is nothing like doing a thing thoroughly. Of all the salves you ever heard of, Bucklen's Arnica Salve is the best. It sweeps away and cures burns, sores, bruises, cuts, boils, ulcers, skin eruptions and piles. It's only 25 cents, and guaranteed to give satisfaction by Trout's drug store.

BRUSH CREEK.

The people of the Valley are busy seeding and husking corn. O. A. Barton intends building a new house soon.

Messrs. Will Selling and Walter Barton, the "champion photographers," are doing a rushing business in the picture line. Give them a call.

Messrs. Walter Barton, Caera Hixson and Haslet Walters intend going to Franklin county.

The corn cutting at Roy Duvals' was well attended.

Mrs. Roy Duvall is very poorly with typhoid fever at this writing.

Miss Ella Wink has gone to Wells Valley to visit her sister, Mrs. John Duvall.

Mr. A. A. Barton obtained one potato which he planted in twenty-two hills and obtained a crop of three pecks of potatoes. Who can beat it?

The carpenters will soon have 1. M. Barton's new house completed.

GOOD FOR CHILDREN.

The pleasant to take and harmless One Minute Cough Cure gives instant relief in all cases of cough, croup and la grippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. Sold at Trout's drug store.

Thursday, October 20, John V. Glunt, having sold his farm, and intending to quit farming, will sell at his residence, 1 1/2 miles west of Knobsville, horses, cattle, hogs, sheep, farming implements, hay and grain. Sale will begin at 10 o'clock. Credit 6 months.

A THOUGHTFUL MAN.

M. M. Austin of Winchester, Ind., knew to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief and was finally cured. Only 25c. at Trout's drug store.

Institute.

The first "Local Institute" of Taylor township was held at No. 1 September 30, 1904, D. K. Chesnut being elected president. The following questions were discussed:

1. Influence of School upon Pupil, Patron and Community. 2. The Compulsory School Law, 3. Tardiness: its effect and how prevented.

The subjects were thoroughly discussed by the ten teachers present and the patrons also participated in the discussions.

With the exceptions of a few young persons who would do well to stay at home till they learn how to conduct themselves at a public meeting, excellent order prevailed.

J. H. WOOLCOCK,
Secretary.

BRONCHITIS FOR TWENTY YEARS.

Mrs. Minerva Smith, of Danville, Ill., writes: "I had bronchitis for twenty years and never got relief until I used Foley's Honey and Tar which is a sure cure." Sold at Trout's drug store.
