**GOOD FOR CHILDREN.**

The pleasant to take and harmless One Minute Cough Cure gives instant relief in all cases of cough, croup and lagrippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heats and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. Sold at Trout's drug store.

We publish in to-day's issue a circular letter which has recently been sent by the Secretary of Agriculture and Dairy and Food Commissioner of Pennsylvania to every Grange, Farmers' Alliance and other Agricultural organization of the State. The circular explains itself, and all persons interested in protecting genuine dairy products would do well to act in compliance with the suggestions it contains. If farmers do not wish to write personal letters to their representatives in Congress, those living in the same community can join in a petition addressed to the Senators and Members of the House of Representatives from Pennsylvania, asking them to oppose the repeal of the bill referred to in the circular. Three copies of such petition will be necessary, one for each of the Senators from Pennsylvania, and one for the Member of the House of Representatives in which the petitioners reside.

**AN OLD CHURCH.**

Mr. and Mrs. William Wink were the guests of Judge and Mrs. Morton last Thursday night and Friday. Mr. and Mrs. Wink and the former's sister Charity, and Thomas Truax, returned recently from a pleasant visit down on the Eastern Shore, and speak in extravagant terms of the kindness received at the hands of the good people down there; especially, did they appreciate the drive John Funk gave them in his surrey, taking them around to many places of interest, among which was a church, an inscription on a marble slab back of the pulpit tells something of its history:

Francis Makoni,  
Father of the  
American Presbyterian Church,  
Rehoboth,  
His First and Favorite Child,  
Founded 1683.  
These Grounds Given  
By Him.  
He Said  
Everything Should Tend Heavenward.
