The home of Mr. and Mrs. P. Mann, of this place, was blessed on Tuesday morning of last week by the arrival of boy No. 3 and the parents are correspondingly happy.

After showing that the products of the United States farms in one year are worth \$4,900,000,000, Secretary Wilson states that the hens of the United States lay 1,666,000,000 dozens of eggs a year, a total of about 20,000,000,000 eggs, or enough in one month to pay the interest of the entire national debt of the United States for one year.

Mr. and Mrs. Sheridan Hann, near Saluvia, spent last Friday in town, and dropped into our sanctum a few minutes to advance subscription to the "News." Mr. Hann said that springs and wells in his neighborhood had failed that he had never known to fail before. Licking Creek and Pattersons Run have scarcely enough water to wet the stones in the riffles, and both streams were frozen over.

THAT THROBBING HEADACHE.
Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for sick and nervous headaches. They make pure blood and build up your health. Only 25 cents, money back if not cured. Sold at Trout's drug store.

WELLS TANNERY.
One year ago we bade "Good bye" to Miss Alice Wishart, who departed for Allahabad, India. During this period, we have not missed hearing from her every week, and that she is enjoying the mission work (though very hard). She has mastered two languages, and has begun the third. She has been teaching young girls and women for several months. Some of the girls that she instructs wear large rings in their noses and bracelets on their arms and ankles by the dozen. In her last letter she complained of the constant noise every evening. A girl that belonged near the compound had been married two weeks, and what we call a serenading had been kept up every evening since.

Mrs. Frank Sprowl and Mrs. Florence Sipes, of Everett, are guests in the home of Will Sprowl and wife.

Thomas Sipes, of Saxton, is visiting friends in our valley.

Miss Lucy McDonald, of Kearney, called to see some of her old friends Saturday evening.

The Rev. Mr. Ash has been conducting revival services in Pine Grove M. E. church during the past week. We are glad to know that about twenty-five persons have been to the altar seeking the all important thing to make this life and the one beyond, happy. May the good work continue until every unsaved person in our community is reached.

A PLEASANT PILL.
No pill is as pleasant and positive as DeWitt's Little Early Risers. DeWitt's Little Early Risers are so mild and effective that children, delicate ladies and weak people enjoy their cleansing effect, while strong people say they are the best liver pills sold. Sold at Trout's drug store.

Driest November.
Harrisburg, Dec. 2.—The most remarkable fact about the month just passed is that it was the driest November during the seven years that the government weather bureau has been in operation here. Figures show that only .54 of an inch of rain or melted snow fell during the entire thirty days, whereas the average for the past seventeen Novembers is 2.46 inches, and as much as 6.50 inches has fallen in one month, as was the case in 1889.

There were ten perfectly clear days and only four upon which .01 of an inch or more of rain fell. Nine days were partly cloudy and eleven entirely so.

DRIVEN TO DESPERATION.
Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in burns, cuts, wounds, ulcers, etc. Lay in a supply of Bucklen's Arnica Salve. Its the best on earth. 25c, at Trout's drug store.

TO PUBLISH GAME LAW.
Move to Have Act Printed in Two Papers in Each County.

A move is on foot throughout the State to have a bill passed by the approaching Legislature providing for the publication of, in not less than two newspapers of each county, the laws passed from session to session. This move is the outgrowth of the large number of prosecutions under the pure food and game and fish laws.

It is contended that many persons are ignorant of the laws which are passed by reason of the fact that they have no publicity whatever and are practically unknown to the people. New York, New Jersey, Ohio and other States have been printing the laws for many years in the direction of the State officials. A law similar to the one now in force in New York is the basis for the act which will be introduced at the coming session.

A TIMELY TOPIC.
At this season of coughs and colds it is well to know that Foley's Honey and Tar is the greatest throat and lung remedy. It cures quickly and prevents serious results from a cold. Sold at Trout's drug store.

Newton Bard has returned home from Potter county.

There will be preaching at Bedford Chapel Sunday morning, December 11, at 9:30 sharp.

HAVE YOU SEEN STONER'S STORE?
Albert Stoner's store is just now a veritable art gallery and is well worth a visit if you don't buy a cent's worth. No such exhibit has ever been displayed in this county. It is out of the question to name the hundredth part of the beautiful things you see in fancy goods, toys, albums, pictures at all prices and styles, glassware, porcelain, silverware, jewelry, clocks, watches, fine rings, toilet cases, work-boxes, jewel-cases, fine china-ware, lamps of all kinds, books, Bibles, Testaments, toilet sets, granite-ware of all kinds, dolls, doll gowns, children's rocking chairs, express wagons for boys, steel sleds, sleigh bells, stoves, tin-ware of all kinds, and—O well, you must come and see for your self. See our goods first; for if you come after you have spent your money somewhere else, your pleasure for the holidays will be all gone.

Remember I will not be under so.

Albert Stoner.
