Resolutions of Respect.

WHEREAS, The Great and Supreme Ruler of the universe has, in his infinite wisdom, removed from among us one of our worthy and esteemed Brothers and fellow-laborers, Harvey Glunt; and whereas, the long and intimate relation held with him in the faithful discharge of his duties in this society makes it eminently befitting that we record our appreciation of him; therefore,

Resolved, That the wisdom and ability which he has exercised in the aid of our organization by service, contribution, and counsel, will be held in grateful remembrance;

Resolved, That the sudden removal of such a life from our midst leaves a vacancy and a shadow that will be deeply realized by all the members and friends of the order, and prove a serious loss to the community and the public.

Resolved, That with deep sympathy with the bereaved relatives of the deceased, we express our hope that even so great a loss to us all may be overruled for good by Him who doeth all things well.

Resolved, That a copy of these resolutions be spread upon the records of this organization (The Independent Order of Odd-Fellows, No. 484), a copy printed in the local paper, and a copy forwarded to the bereaved family.

Startling Evidence.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for consumption, coughs and colds to be unequalled. A recent expression from T. J. McFarland, Bentorville, Va., serves as example. He writes: "I had bronchitis for three years and doctor-ed all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equal- ly effective in curing all lung and throat troubles, consumption, pneumonia and grip. Guaranteed at Trout's drug store. Trial bottles free, regular sizes 50c, and \$1.00.

Local Institute.

The fourth local institute of Taylor township was held at Hustontown school, Friday evening, December 24th. The meeting was called to order by the teacher H. W. Wink, after which Dr. A. K. Davis was elected chairman.

The program was opened by singing America by the school. The following questions were discussed: 1. Duties of Teacher, Patrons and Pupils. 2. Importance of Regular Attendance. 3. Little Things and Their Importance. 4. Tardiness; its Effects and How Prevented.

The following teachers were present and took part in the discussions: D. K. Chesnut, W. G. Wink, H. W. Wink, Harvey Sipes, John Woodcock, Elmer Huston, Levi Morton, Mr. Mellott and Miss Keebaugh. The younger teachers are to be congratulated upon the way in which they discussed the questions assigned them. Several recitations were rendered by the pupils of the school, showing the ability of the pupils, also the teacher's influence and training.

Quite a number of the patrons were present, showing their appreciation towards this great educational work. Rev. B. A. Salter was present and gave a very beneficial and instructive discussion on each of the subjects. Mr. Salter is deeply interested in literary work and his discussions are right to the point. Dr. A. The next institute will be held at Laidig school, Friday evening, January 21, to which all friends of education are invited to come and take part.
