Married Courtship.

However well assorted a married couple may be, it still behooves them both to take as much pains to please each other after marriage as before. "To have and to hold" is the old formula which no cue can afford to forget. Many a precious treasure has been lost beyond recovery, let slip through careless fingers. One counts a thing all one's own, and leaves it anguarded, to come back and find it gone. When the lover is metamor phosed into the inattentive or over bearing and tyrannical spouse; when the dainty, charming sweetheart changes into the fretful and untidy wife, what marvel that the affection which was lavished upon the origina refuses its tribute to the changeling Many a woman has imrdened and grown cold under indifference which was perhaps unintentional; many a man, fairly fond of his wife to begin with, has found his devotion strangled by elf locks or smothered in the wrinkles of a soiled wrapper. Home, it should always be remembered, is the shrine of love; its lights should be kept trimmed and burning, it should always be a haven of rest and peace. If, through carelessness, the lamps grow dim, if dust gathers on its window panes, and love finds no rest within its threshold, who shall blame the little god if he remembers that he has wings and uses them?-The Household.

DR. LLEWELLYN JORDAN, Medical Examiner of the U. S. Treasury Department, graduate of Columbia College, and who served three years at West Point, has the following to say of Peruna:

A constantly increasing number of physicians prescribe Peruna in their practice. It has proven its merits so thoroughly that even the doctors have overcome their prejudice against so-called patent medicines and recommend it to their patients. cines and recommend it to their patients.

Peruna occupies a unique position in medical science. It is the only internal systemic catarrh remedy known to the medical profession to-day. Catarrh, as every one will admit, is the cause of one-half the diseases which afflict mankind. Catarrh and catarrhal diseases afflict one-half of the people of the United States.

Robert R. Roberts, M. D., Washington, D. C., writes;

"Tarough my own experience as well as that of many of my friends and acquaintances who have been cured or rettered of catarrh by the use of Hartman's Peruna, I can confidently recommend it to those suffering from such disorders, and have no hesitation in prescribing it to my patients. SEARCH SEARCH MERCINSON IS Catarrh is a systemic disease curable only by systemic treatment. A remedy that cures catarrh must aim directly at the depressed nerve centres. This is what Peruna does.

Peruna immediately invigorates the nerve-centres which gives vitality to the mucous membranes. Then catarrh disappears. Then catarrh is permanently cured.

If you do not derive prompt ar i satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and ne will be pleased to give you his valuable advices. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

"Dear Mrs. Pinkham:—Ignorance and neglect are the cause of untold female suffering, not only with the laws of health but with the chance of a cure. I did not need the warnings of headaches, organic pains, and general weariness, until I was well nigh prostrated. I knew I had to do something. Happily I did the right thing. I took Lydia E. Since I have been well I have been more careful, I have also advised a number of my sick friends to take Lydia F. Pinkham's Vegetable Compound, and they have never had reason to be sorry.
