Rev. A. S. Wolf is holding a series of meetings at the U. B. church.

Maude Shafer is visiting friends at Robertsdale.

Mr. and Mrs. Gideon Duvall, n ar Saltillo, spent a day last week with friends in our town.

Rilla Houck is slowly recovering from an affection of eczema on her hands and arms, from which she suffered very much pain and ily. inconvenience.

Nora Gracey, of Gracey, had an exciting experience on Monday, she had taken her father part way to the mines, and when coming down the mountain on her return, the horse, which was hitched to a jumper, started t go faster than ordinarily, spilling her over the road; also, the sled and contents were scattered. The horse was stopped in New Grenada. No one was hurt, but the sled. John Mills volunteered and delivered Nora safe home in his sleigh. There was not much fun in it for anyone. unless it was for the horse.

Dr. R. B. Campbell and our village smith, Geo. Shafer, took a sleigh ride on Sunday to Mt. Union, Shirley and other points, returning on Monday.

There was another store-box and nail-keg meeting of gas and coal prospectors of New Grenada capitalists and one from Taylor, at which it was proposed to put a test hole down on "Flick's" coal fields near or at the old oil well. Most of the meeting was composed of "hot air." "Davie" says, "Dod blast your fired skins; 'taint no use talkin'-there's no coal here."

#### What The Girls Will Wear.

According to Marian Kent, who writes on fashions for young girls in the March New Idea Magazine, the dainty dresses for this spring and summer are to be made of silk-finished mohair, lausdowne, batiste and colienne, besides the soft silks and the sheer fabrics. Hand-work in its charming simplicity still supersedes elaborate trimmings; and "very many dainty frocks are made entirely of the material, utterly devoid of trimming and depending solely
