After a hearty meal a dose of Kodol Dyspepsia Cure will prevent an attack of indigestion. Kodol is a thorough digestant and a guaranteed cure for indigestion, dyspepsia, gas on the stomach, sour risings, bad breath and all stomach troubles. N. Watkins, Leebus, Ky., says: "I can testify to the efficacy of Kodol in the cure of stomach trouble. I was afflicted with stomach trouble for fifteen years and have taken six bottles of your Kodol Dyspepsia Cure, which entirely cured me. The six bottles were worth \$1,000 to me." Kodol Dyspepsia Cure will digest any quantity of all the wholesome food you want to eat while your stomach takes a rest—recuperates and grows strong. This wonderful preparation is justly entitled to all of its many remarkable cures. Sold at Trout's drug store.

Do Not Boil Coffee Too Long.

There is only one mistake that can be made in making coffee, and that is to cook it too much. When subjected to a momentary boiling and then removed from the fire it is a drink for the gods, but if it is kept at a high degree of heat for thirty minutes its character is entirely changed, and it becomes almost poisonous. Of the people who overcook coffee in this way some do it through ignorance, but the greater part of them through greed in order to make it go further and produce a larger profit. What we need is a law making it a capital offense to boil coffee more than three minutes.—Chicago Chronicle.

A DESTRUCTIVE FIRE.

To draw the fire out of a burn or deal a cut without leaving a scar, use DeWitt's Witch Hazel Salve. A specific for piles. Get the genuine. J. L. Tucker, editor of the Harmonizer, Centre, Ala., writes: "I have used DeWitt's Witch Hazel Salve in my family for piles, cuts and burns. It is the best salve on the market. Every family should keep it on hand. Sold by Trout's drug store.

Four cans good corn, 25 cents; prunes, 6 cents; peas, 3 cents for 25 cents; string beans, 3 cans 25 cents; sweet potatoes, 10c a can. Get them at Irwin's.

Dangers of Pneumonia.

A cold at this time if neglected is liable to cause pneumonia which is so often fatal, and even when the patient has recovered the lungs are weakened, making them peculiarly susceptible to the development of consumption. Foley's Honey and Tar will stop the cough, heal and strengthen the lungs and prevent pneumonia. Sold by all dealers.

SIPES MILL.

Mar. 15.—The snow is all gone and now it is mud, mud.

Nathan Mellott is very ill at this time.

Our old friend Benjamin Garland had a wood cutting frolic last Tuesday, and got a fine lot of wood cut for the summer. The young folks had a regular old fashion play-party in the evening. Those who were there, were Johnson Layton's, Clark's, Nathan Mellott's, Morton Hess's, E. N. Akers, S. L. Wink, Levi Mellott, Blanche Mellott, Lily Wink, Nellie Palmer, and they all report a jolly good time.

RAW OR INFLAMED LUNGS.

Yield quickly to the wonderful curative and healing qualities of Foley's Honey and Tar. It prevents pneumonia and consumption from a hard cold settled on the lungs. Sold by all dealers.

The Value of Example.

To have your child truthful, be truthful.

To have him temperate, be temperate in all things.

To have him kind to others, be yourself kind to others.

Prescribe healthful amusements and so far as you can take part in them.

Prove to him by your life that a good name is to be chosen before great riches.

Teach him that riches are not to be despised, but should never be got by doing harm to others; that when acquired should be treated as a trust, not as a hoard.

To have him honest, present to him in yourself a living example of honesty. The chief part of a child's knowledge comes through observation. Acts mean more to him than speech.—Philadelphia Inquirer.

Are You Engaged?

Engaged people should remember, that, after marriage, many quarrels can be avoided by keeping their digestions in good condition with Electric Bitters. S. A. Brown of Bennettsville, S. C., says: "For years my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor, and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her at once and finally made her entirely well. She is now strong and healthy." Trout's the druggist sells and guarantees them, at 50c a bottle.

Your Watch is a Compass.

"Most men who own a good watch," said a jeweler, "think they know all about it. They have the number fixed in their memory in case it is stolen. They could probably pick it out from fifty other watches with their eyes shut. But how many men know that their watch is a compass and will tell north from south as accurately as it will tell the time of day? Stanley, the explorer, did not know it until he had groped his way through the dark continent and met a Belgian sailor on the coast. Every watch is a compass. If you point the hour hand to the sun, the south is exactly halfway between the hour and the figure XII on the dial. Suppose, for instance, it is 4 o'clock. Point the hand indicating 4 to the sun and 12 on the watch is exactly south. If it is 8 o'clock point the hand indicating 8 to the sun and the figure X on the dial is due south. No man need get lost if he carries a watch."
