

Not The Only Pebble.
J. Wesley was not the only "Lickin' cricker" at the inauguration, as the following letter will show:

Office of Supervisor,
Trenton, New Jersey,
March 23, 1906.

Editor News.—Noting your mention in the Fulton County News that our friend J. Wesley Hoop was the only representative from Lacking Creek in attendance at the inauguration of "Teddy" on March 4th, I wish to state that another of Lacking Creek's sons helped to swell the crowd. Am sure that "Teddy" would have been "de-lighted" to have known that two representatives from the well-known Democratic stronghold had forsaken political differences for the time being and were enthusiastic constituents of the policy of the rights of American citizens as outlined by him.

Am very sorry I did not meet J. Wesley, as we might have attended the Inaugural Ball, or something else as memorable. Anyhow, "Teddy" got there with a great ovation; yet, I noticed with regret that the "Oak Glen Band" was not present to assist in rendering "America."

With kindest regards, and wishing the Fulton County News continued success, I am,

Yours truly,
WILL N. STEWART.

BY THE TONIC ROUTE.

The pills that act as a tonic, and not as a drastic purge, are De Witt's Little Early Risers. They cure headache, constipation, biliousness, etc. Early Risers are small, easy to take and easy to act—a safe pill. Mack Hamilton hotel clerk at Valley City, N. D., says: "Two bottles cured me of chronic constipation." Sold at Trout's drug store.
