

**SUCCEEDS HIMSELF.**

Prof. Chas. E. Barton Re-Elected to Serve Three Years More. Had no Opposition.

HIS SALARY INCREASED TO \$1200.

The story of the convention of school directors called together Tuesday to elect a county superintendent to serve during the next three years is a short one

CHARLES E. BARTON.

At one o'clock they assembled in the Court House and effected an organization by making John Comer, of McConnellsburg, president, and Van Kelly of Dublin, and Amos N. Duvall of Brush Creek, secretaries.

Dr. Sappington of Ayr, placed the name of Prof. Barton before the convention, and J. E. H. Lewis of Bethel, seconded the nomination—both gentlemen making neat little speeches. There being no other names presented, a ballot was taken which was unanimous in favor of the present incumbent and a compliment to be appreciated by any one.

The salary was fixed at \$1200 a year. There were fifty-seven of the seventy-two directors in the county, present.

**Abner Hart, Dead.**

Just as we go to press, we learn of the death of Abner Hart at his home at Geary, Oklahoma, on last Saturday morning.

Mr. Hart was a brother of Enoch Hart (deceased), and Mrs. Ahimaz Runyan, and was born at Needmore on the 7th of January, 1837. He had spent most of his life since early manhood in the West.

**A DISASTROUS CALAMITY.**

It is a disastrous calamity, when you lose your health, because indigestion and constipation have sapped it away. Prompt relief can be had in Dr. King's New Life Pills. They build up your digestive organs, and cure headache, dizziness, colic, constipation, etc. Guaranteed at Trout's drug store, 25c.

**SHARPE.**

The farmers are about done ploughing. Johnson Keefer still continues poorly.

J. M. Strait & Bro., are getting along well sawing for Waltz and Fisher.

Gertie Peck is improving in health. Rev. Pittinger will preach at Mt. Zion next Sunday at 2:30 p. m., and Rev. Powers, at Antioch 7:30 p. m.

James Mellott of Cito, spent Saturday night and Sunday with friends near this place.

After the close of the schools at Shiremanstown on the 26th ult., Elmer and Leroy Krinkley of that town came up to spend their vacation with their great-aunts, Mrs. N. H. Evans and Mrs. Dennis Gordon.

**Strictly Genuine.**

Most of the patent medicine testimonials are probably genuine. The following notice recently appeared in the Atchison (Kan.) Globe: "Joe Tack, a well known engineer, running on the Missouri Pacific between Wichita and Kiowa, lately appeared in a big one, with a picture, and when he was in this office to-day, we asked him about it. He says he had terrific pains in his stomach, and thought he had cancer. His druggist recommended Kodol and he says it cured him. He recommended it to others, who were also cured." Kodol Dyspepsia cure digests what you eat and cures all stomach troubles. Just as surely as the sun shines your stomach can be brought back to its originally pure condition and life sweetened by this lasting and truly the greatest digestant known. Sold at Trout's drug store.

**Clear Ridge.**

We are having some dry, windy weather.

Farmers are busy getting ready to plant corn.

Aunt Kate Baker is still in a critical condition and has been since the 21st of April, when she had stroke of paralysis.

A number of our boys left Monday morning for Allen's Valley to peel bark.

C. L. Henry is having his new house plastered. Charles Fields and C. Orth are the workmen.

John Henry has had the house plastered owned by Calvin Carmack and will move into it in the near future.

Miss Nora Heeter is home for a brief time from Huntingdon, where she has been employed.

William Sipes was the guest of H. T. Heeter on Saturday and Sunday.

Walter Brown was at his home on Sunday. Mrs. Jennie Miller was the guest of Alfred Brown's last Saturday night.

J. W. Mowers and wife called one evening last week on Clark Newman's.

Mrs. Mertie Miller and son Glen spent Saturday night with Mrs. Sue Mowers.

Joseph Alexander was in our town a short time ago the guest of his sister, Mrs. J. W. Mowers.

**HOT WEATHER PILES**

Persons afflicted with Piles should be careful at this season of the year. Hot weather and bad drinking water contribute to the conditions which make piles more painful and dangerous. Dr. Witt's Witch Hazel Salve stops the pain, draws out the soreness and cures. Get the genuine, bearing the name of E. C. DeWitt & Co. Sold at Trout's drug store.

**Evans—Huston.**

With reference to the marriage of Miss Amelia Huston, of Clear Ridge, and Mr. Edmund Evans, of Minnesota, mention of which was made in this paper last week, we clip the following from the Minnesota Guard, a paper published in the groom's home town: "A nice little wedding took place Wednesday evening, half a mile north of town on the Miller farm. Mr. Edmund B. Evans and Miss Amelia Huston were joined in marriage by Rev. Skults. The bride is a young lady of fine accomplishments. She arrived Tuesday from her former home in Pennsylvania. The groom is a young man of sterling qualities who recently came from Iowa, and now works the Miller farm. We join the community in welcoming this worthy young couple in our midst and congratulate."

**Man's Unreasonableness**

is often as great as woman's. But Thos. S. Austin, Mgr., of the Republican, of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says, "We concluded to try Electric Bitters. My wife was then so sick, she could hardly leave her bed, and five (5) physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed at Trout's drug store, price 50c.

**PLUM RUN.**

The farmers of the vicinity are very busy planting corn. Some are done, while others are beginning and others are waiting for rain.

Isaac Culler has been on the sick list for the past two weeks. James Snider is all smiles. It is a girl.

Collie and Howard Pittman are very busy manufacturing lumber for Hewett Bros.

**Will not Teach.**

I regret to state here that I shall be unable to take charge of the summer school as announced in last week's paper.

H. M. GRIFFITH.

**WEST DUBLIN.**

O. E. Hann, of Saluvia, and Geo. W. Sipes, of Colorado, passed through this place last Thursday on their way from Six Mile Run, where Mr. Hann sells produce, and where, on Wednesday evening, at the P. O. S. of A. Hall, they attended a banquet of the Six Mile Run Lodge of I. O. O. F. and Rebekahs.

Mrs. J. F. Johnson and son, D. B. Johnson, started last Tuesday for the western part of this State and West Virginia, where they expect to spend some time.

Berte Hann, of Saluvia, was both unlucky and lucky last Wednesday, while on his way to Six Mile Run. When he reached the Stone House on Siding Hill, he ratched for his pocket-book in order to make some change for produce, but it was not in his pocket. He then began a search through his wagon and in every conceivable place where it might be. He mounted his horse and started down the mountain looking for the pocket-book all along the way. When just a little distance above Hoover's Mill, he found it lying in the road where it had dropped from his pocket. The finding was the lucky part. We will not say how much money was in the pocket-book, but any one finding it might have known that it had too much money to belong to a school teacher or an editor.

W. F. Laidig and daughter, Lema attended Sunday school and preaching at Fairview Sunday forenoon.

James Galliland came in from Allegheny to J. E. Lyons' on Thursday to spend some time.

A few of our farmers have planted corn.

Rev. W. M. Cline preached a practical sermon at Fairview on Sunday from Romans 8:35—Who shall separate us from the love of Christ?

George Finiff, Tod township's veteran supervisor, was on business in this vicinity last week.

W. G. Wink and H. W. Wink, of Hustontown, are plastering at this place this week.
