3 RUSSIAN CRUISERS SAFE

Admiral Enquist's Flight Ends Manila Bay.

SEEKS REFUGE FROM JAPANESE. Russian Ships Battered from the Effects of the Japanese Fire-Many Wounded Men Aboard-Rear Admirat Train Will Care

A Problem to Solve.

Manila (By Cable).-Rear Admiral Enquist, who was commander of the heavy erniser squadron of the Russian fleet, arrived in the bay on board his flagship, the protected cruiser Aurora, accompanied by the protected cruisers Oleg and Jennichag. All the vessels were more or less damaged, and there were many wounded men on board.

Rear Admiral Train, on board his flagconsm. Oregen, Raleigh and Cincinnat was outside Corregidor Island mances guns, and the Olio answered.

companied the Russian vessels to Ma-

In an interview Rear Admiral Enquist's executive officer said:
"When the battle began the Admiral was abound the cruiser Oleg, which was hit a number of times by large shot.

There was an incessant rain of shot from quick-firing guns, and the ship was soon badly damaged. The Allmiral transferred his flag to

Aurora, which then drew the comers at close range, and the attack of submarines. We were overwhelmed by the

PRESIDENT'S MOVE FOR PEACE.

His Frank Talk to Count Cassini, Russian Ambassador.

Washington, D. C. (Special) .- The President struck a blow for peace in the Far East. In a conference at the White House with Count Cassini, the Russian ambassador, the President expressed the earnest hope that Russia would forth-

with conclude peace with Japan. Prolongation of the war, he believes will not result in victory for the Russian arms, and can only serve to increase Japan's demands and render more difficulty the drafting of a treaty of peace which the Czar, as well as the Mikado, can sign. The President spoke, he said, as the friend of Russia, no less than of Japan, and on behalf not only of the Washington government, but in the interest of humanity.

Until his words have reached Tear koe-Selo and have been communicated the President, who continued their drive to Emperor Nicholas in the friendly to the Palais d'Orsay spirit in which they were uttered their effect cannot be estimated.

Soon after reaching his embassy Count Cassini began the preparation of is estimated that the Russian losses patch to his government. Neither at the White House nor at the Russian Embassy could a formal statement re garding the conference be obtained.

When King Alfonso and President Lou-bet entered the building, surrounded by brilliant staff and followed by nearly the entire diplomatic corps and superior of the elite of French society, rose and cheered, while the orchestra played the Spanish and French national anthems.

The performance went without a hitch.

dent Loubet during the intermissions, and at the close of the performance the orchestra again played the national hymns of the two countries as the King and the President arose to leave. They proceeded down the grand staircase and arrived at the gayly illuminated and decorated Place de l'Opera, where the royal carriage awaited them. The

His Majesty chatted gayly with Presi-

rounded by several squadrons of currassiers, toward the Avenue de l'Opera. The space around the opera house was cleared for 200 yards, but the avenue was packed with a dense throng, which awaiting the passage of the royal and Presidential parties admired the charming scene, the decorations extendng as far as the Palais Robal.

by side, and the vehicle started off, sur-

When the King's carriage passed at a gallop, followed by others containing the diplomatic corps and the ministers, the crowd cheered itself hoarse, shouting "Long live the King!" "Long live the President!" The procession arrived at the end of the Avenue de l'Opera and passed the Place Theatre Français, where were assembled at least 1,500 persons in the Rue de Rohan, a short street forming

l'Opera, just opposite the arched gate-way of the Lourve leading to the Place Caroussel. There, just a few yards before reaching the Rue Rivoli, a man sprang forward with his arm raised in the air, and before the cordon of police could prevent him he, without uttering a word threw a projectile in the direction of

practically a continuation of the Avenue

the royal carriage.

The police immediately rushed toward him. At that moment a deafening ex-plosion occurred. Cries from the crowd were heard, and a scene of intense excitement began, the crowd surging to

dent had not been struck, and their carcuirassier and then fell to the ground, where it exploded, fragments of it striking the horses of the soldiers, causing them to bolt and throw their riders.

Captain Schneider, who was riding at

the right side of the carriage, and Cap-

tain Garnier, who was on the left, were both thrown. Fragments of the bomb also struck five persons—a sergeant, two injured, and a child, who was struck in

and caused a derangement of the electric lights, which were all extinguished, adding darkness to the scene of confusion, Women and children screamed and a panic was for a time threatened in the

vast throng until the police succeeded in restoring order.

HEART ON THE RIGHT SIDE. Extraordinary Dislocation Revealed By Autopsy on Sprinter. Shippensburg, Pa. (Special) .- A re-

markable case of cardiac dislocation has been brought to light by an autopsy on place. About 20 years ago he won in a foot race, and the exertion, it is thought, caused his heart to change from the left side to the right. He fell at the end of the race and had since been a great sufferer.

The post-mortem examination showed his heart to be on the right side and the stomach in the place where the heart should have been on the left side and grown fast to the left lung, with a connection between the lung and stomach.
